SEC. 2. FINDINGS AND PURPOSE.

(a) FINDINGS.—Congress finds the following:

(1) Millions of Americans have been exposed to forms of asbestos that can have devastating health effects.
(2) Various injuries can be caused by exposure to some forms of asbestos, including pleural disease and some forms of cancer.

(3) The injuries caused by asbestos can have latency periods of up to 40 years, and even limited exposure to some forms of asbestos may result in injury in some cases.

(4) Asbestos litigation has had a significant detrimental effect on the country’s economy, driving companies into bankruptcy, diverting resources from those who are truly sick, and endangering jobs and pensions.

(5) The scope of the asbestos litigation crisis cuts across every State and virtually every industry.

(6) The United States Supreme Court has recognized that Congress must act to create a more rational asbestos claims system. In 1991, a Judicial Conference Ad Hoc Committee on Asbestos Litigation, appointed by Chief Justice William Rehnquist, found that the “ultimate solution should be legislation recognizing the national proportions of the problem . . . and creating a national asbestos dispute resolution scheme . . .” The Court found in 1997 in Amchem Products Inc. v. Windsor, 521 U.S. 591, 595 (1997), that “[t]he argument is sen-
sibly made that a nationwide administrative claims
processing regime would provide the most secure,
fair, and efficient means of compensating victims of
asbestos exposure.” In 1999, the Court in Ortiz v.
Fibreboard Corp., 527 U.S. 819, 821 (1999), found
that the “elephantine mass of asbestos cases . . .
defies customary judicial administration and calls
for national legislation.” That finding was again rec-
ognized in 2003 by the Court in Norfolk & Western

(7) This crisis, and its significant effect on the
health and welfare of the people of the United
States, on interstate and foreign commerce, and on
the bankruptcy system, compels Congress to exercise
its power to regulate interstate commerce and create
this legislative solution in the form of a national as-
bestos injury claims resolution program to supersede
all existing methods to compensate those injured by
asbestos, except as specified in this Act.

(8) This crisis has also imposed a deleterious
burden upon the United States bankruptcy courts,
which have assumed a heavy burden of admin-
istering complicated and protracted bankruptcies
with limited personnel.
(9) This crisis has devastated many communities across the country, but hardest hit has been Libby, Montana, where tremolite asbestos, 1 of the most deadly forms of asbestos, was contained in the vermiculite ore mined from the area and despite ongoing cleanup by the Environmental Protection Agency, many still suffer from the deadly dust.

(10) The asbestos found in Libby, Montana, tremolite asbestos, has demonstrated an unusually high level of toxicity, as compared to chrysotile asbestos. Diseases contracted from this tremolite asbestos are unique and highly progressive. These diseases typically manifest in a characteristic pleural disease pattern, and often result in severe impairment or death without radiographic interstitial disease or typical chrysotile markers of radiographic severity. According to the Agency for Toxic Substances and Disease Registry previous studies by the National Institutes of Occupational Safety and Health document significantly increased rates of pulmonary abnormalities and disease (asbestosis and lung cancer) among former workers.

(11) In Libby, Montana, exposure pathways are and were not limited to the workplace, rather, for decades there has been an unprecedented 24 hour per day
contamination of the community’s homes, playgrounds, gardens, and community air, such that the entire community of Libby, Montana, has been designated a Superfund site and is listed on the Environmental Protection Agency’s National Priorities List.

(12) These multiple exposure pathways have caused severe asbestos disease and death not only in former workers at the mine and milling facilities, but also in the workers’ spouses and children, and in community members who had no direct contact with the mine. According to the Environmental Protection Agency, some potentially important alternative pathways for past asbestos exposure include elevated concentrations of asbestos in ambient air and recreational exposures from children playing in piles of vermiculite. Furthermore, the Environmental Protection Agency has determined that current potential pathways of exposure include vermiculite placed in walls and attics as thermal insulation, vermiculite or ore used as road bed material, ore used as ornamental landscaping, and vermiculite or concentrated ore used as a soil and garden amendment or aggregate in driveways.
(13) The Environmental Protection Agency also concluded, “Asbestos contamination exists in a number of potential source materials at multiple locations in and around the residential and commercial area of Libby... While data are not yet sufficient to perform reliable human-health risk evaluations for all sources and all types of disturbance, it is apparent that releases of fiber concentrations higher than Occupational Safety and Health Administration standards may occur in some cases ... and that screening-level estimates of lifetime excess cancer risk can exceed the upper-bound risk range of 1E–04 usually used by the Environmental Protection Agency for residents under a variety of exposure scenarios. The occurrence of non-occupational asbestos-related disease that has been observed among Libby residents is extremely unusual, and has not been associated with asbestos mines elsewhere, suggesting either very high and prolonged environmental exposures and/or increased toxicity of this form of amphibole asbestos.”.

(14) According to a November 2003 article from the Journal Environmental Health Perspectives titled, Radiographic Abnormalities and Exposure to Asbestos-Contaminated Vermiculite in the Community of Libby, Montana, USA, Libby residents who have evi-
sidence of “no apparent exposure”, i.e., did not work with asbestos, were not a family member of a former worker, etc., had a greater rate of pleural abnormali-
ties (6.7 percent) than did those in control groups or
general populations found in other studies from other states (which ranged from 0.2 percent to 4.6 percent).

“Given the ubiquitous nature of vermiculite contami-
nation in Libby, along with historical evidence of ele-
vated asbestos concentrations in the air, it would be difficult to find participants who could be character-
ized as unexposed.”.

(b) PURPOSE.—The purpose of this Act is to—

(1) create a privately funded, publicly adminis-
tered fund to provide the necessary resources for a fair and efficient system to resolve asbestos injury claims that will provide compensation for legitimate present and future claimants of asbestos exposure as provided in this Act;

(2) provide compensation to those present and future victims based on the severity of their injuries, while establishing a system flexible enough to accom-
modate individuals whose conditions worsens;

(3) relieve the Federal and State courts of the burden of the asbestos litigation; and
(4) increase economic stability by resolving the asbestos litigation crisis that has bankrupted companies with asbestos liability, diverted resources from the truly sick, and endangered jobs and pensions.

pational medicine, internal medicine, oncology, or
pathology; and

(3) an individual who, for each of the 5 years
before and during his or her appointment to a Phy-
sicians Panel, has earned not more than 15 percent
of his or her income as an employee of a particip-
pating defendant or insurer or a law firm rep-
resenting any party in asbestos litigation or as a
consultant or expert witness in matters related to asbestos litigation.

(d) DUTIES.—Members of a Physicians Panel shall—

(1) make such medical determinations as are required to be made by Physicians Panels under section 121; and

(2) perform such other functions as required under this Act.

(f) FEDERAL ADVISORY COMMITTEE ACT.—A Physicians Panel established under this section shall not be subject to the Federal Advisory Committee Act (5 U.S.C. App. 2).

SEC. 106. PROGRAM STARTUP.

(a) INTERIM REGULATIONS.—Not later than 90 days after the date of enactment of this Act, the Administrator shall promulgate interim regulations and procedures for the processing of claims under title I and the operation of the Fund under title II, including procedures for the expediting of exigent health claims, and processing of claims through the claims facility.
(b) **INTERIM PERSONNEL.**—The Secretary of Labor and the Assistant Secretary of Labor for the Employment Standards Administration may make available to the Administrator on a temporary basis such personnel and other resources as may be necessary to facilitate the expeditious startup of the program. The Administrator may in addition contract with individuals or entities having relevant experience to assist in the expeditious startup of the program. Such relevant experience shall include, but not be limited to, experience with the review of workers’ compensation, occupational disease, or similar claims and with financial matters relevant to the operation of the program.

(c) **EXIGENT HEALTH CLAIMS.**—

(1) **IN GENERAL.**—The Administrator shall develop procedures to provide for an expedited process to categorize, evaluate, and pay exigent health claims. Such procedures shall include, pending promulgation of final regulations, adoption of interim regulations as needed for processing of exigent health claims.

(2) **ELIGIBLE EXIGENT HEALTH CLAIMS.**—A claim shall qualify for treatment as an exigent health claim if the claimant is living and the claimant provides—
(A) the claimant is living and provides a
diagnosis of mesothelioma meeting the require-
ments of section 121(d)(10); or

(B) the claimant is living and provides a
declaration or affidavit, from a physician who
has examined the claimant within 120 days be-
fore the date of such declaration or affidavit,
that the physician has diagnosed the claimant
as being terminally ill from an asbestos-related
illness and having a life expectancy of less than
1 year; or

(C) the claimant is the spouse or child of an
eligible exigent health claimant who—

(i) was living when the claim was filed
with the Fund, or if before the implementa-
tion of interim regulations for the filing of
claims with the Fund, on the date of enact-
ment of this Act;

(ii) has since died from an asbestos-re-
lated disease or condition; and

(iii) has not received compensation
from the Fund for the disease or condition
for which the claim was filed.

(3) ADDITIONAL EXIGENT HEALTH CLAIMS.—
The Administrator may, in final regulations promul-
gated under section 101(c), designate additional cat-
egories of claims that qualify as exigent health
claims under this subsection.

(4) CLAIMS FACILITY.—To facilitate the prompt
payment of exigent health claims, the Administrator
shall contract with a claims facility, which applying
the medical criteria of section 121, may enter into
settlements with claimants. In the absence of an
offer of judgment as provided under section
106(f)(2), the claimant may submit a claim to that
claims facility. The claims facility shall receive the
claimant's submissions and evaluate the claim in ac-
cordance with subtitles B and C. The claims facility
shall then submit the file to the Administrator for
payment in accordance with subtitle D. This sub-
section shall not apply to exceptional medical claims
under section 121(f). A claimant may appeal any de-
cision at a claims facility with the Administrator in
accordance with section 114. The processing and
payment of claims shall be subject to regulations pro-
mulgated under this Act.

(5) AUTHORIZATION FOR CONTRACTS WITH
CLAIMS FACILITIES.—The Administrator may enter
into contracts with claims facilities a claims facility
for the processing of claims (except for exceptional 
medical claims) in accordance with this title.

(d) **EXTREME FINANCIAL HARDSHIP CLAIMS.**—The 
Administrator shall, in final regulations promulgated 
under section 101(c), designate categories of claims to be 
handled on an expedited basis as a result of extreme finan-
cial hardship.

(e) **INTERIM ADMINISTRATOR.**—Until an Adminis-
trator is appointed and confirmed under section 101(b), 
the responsibilities of the Administrator under this Act 
shall be performed by the Assistant Secretary of Labor 
for the Employment Standards Administration, who shall 
have all the authority conferred by this Act on the Admin-
istrator and who shall be deemed to be the Administrator 
for purposes of this Act. Before final regulations being 
promulgated relating to claims processing, the Interim Ad-
ministrator may prioritize claims processing, without re-
gard to the time requirements prescribed in subtitle B of 
this title, based on severity of illness and likelihood that 
the illness in question was caused by exposure to asbestos. 
exposure to asbestos was a substantial contributing factor 
for the illness in question.

(f) **STAY OF CLAIMS; RETURN TO TORT SYSTEM.**—

(1) **STAY OF CLAIMS.**—Notwithstanding any 
other provision of this Act, any asbestos claim pend-
ing as of the date of enactment of this Act, other
than a claim to which section 403(d)(2)(A) applies,
shall be subject to a stay:

(2) EXIGENT HEALTH CLAIMS.—

(A) PROCEDURES FOR SETTLEMENT OF
EXIGENT HEALTH CLAIMS.—

(i) IN GENERAL.—Any person that
has filed a timely exigent health claim
seeking a judgment or order for monetary
damages in any Federal or State court be-
fore or after the date of enactment of this
Act, may immediately seek an offer of
judgment of such claim in accordance with
this subparagraph.

(ii) FILING.—

(I) IN GENERAL.—The claimant
shall file with the Administrator and
serve upon all defendants in the pend-
ing court action an election to pursue
an offer of judgment—

(aa) within 60 days after the
date of enactment of this Act, if
the claim was filed in a Federal
or State court before such date
of enactment; and
(bb) within 60 days after the date of the filing of the claim, if the claim is filed in a Federal or State court on or after the date of enactment of this Act.

(II) STAY.—If the claimant fails to file and serve a timely election under this clause, the stay under subparagraph (B) shall remain in effect.

(iii) INFORMATION.—A claimant who has filed a timely election under clause (ii) shall within 60 days after filing provide to each defendant and to the Administrator—

(I) the amount received or due to be received as a result of all settlements that would qualify as a collateral source under section 134, together with copies of all settlement agreements and related documents sufficient to show the accuracy of that amount;

(II) all information that the claimant would be required to provide to the Administrator in support of a
claim under sections 115 and 121;

and

(III) a certification by the claimant that the information provided is true and complete.

(iv) Certification.—The certification provided under clause (iii) shall be subject to the same penalties for false or misleading statements that would be applicable with regard to information provided to the Administrator in support of a claim.

(v) Offer of Judgment.—Within 30 days after service of a complete set of the information described in clause (iii), any defendant may file and serve on all parties a good faith offer of judgment in an aggregate amount not to exceed the total amount to which the claimant may be entitled under section 131 after adjustment for collateral sources under section 134. If the aggregate amount offered by all defendants exceeds the limitation in this clause, all offers shall be deemed reduced pro-rata until the aggregate amount equals the amount provided under section 131.
(vi) Acceptance or Rejection.—Within 20 days after the service of the last offer of judgment, the claimant shall either accept or reject such offers. If the amount of the offer made by any defendant individually, or by any defendants jointly, equals or exceeds 100 percent of what the claimant would receive under the Fund, the claimant shall accept such offer and release any outstanding asbestos claims.

(vii) Lump Sum Payment.—Any accepted offer of judgment shall be payable within 30 days and in 1 lump sum in order to settle the pending claim.

(viii) Recovery of Costs.—Any defendant whose offer of judgment is accepted and has settled an asbestos claim under clauses (vi) and (vii) may recover the cost of such settlement by deducting from its next and subsequent contributions to the Fund for the full amount of the payment made by such defendant to the exigent health claimant, unless the Administrator finds, on the basis of clear and convincing evidence, that—
(I) the claimant did not meet the
requirements of an exigent health
claim; and

(II) the defendant’s offer was col-
lusive or otherwise not in good faith.

(ix) INDEMNIFICATION.—In any case
in which the Administrator refuses to
grant full indemnification under clause
(viii), the Administrator may provide such
partial indemnification as may be fair and
just in the circumstances. If Administrator
denies indemnification, the defendant may
seek contribution from other non-settling
defendants, as well as reimbursement
under the defendant’s applicable insurance
policies. If the Administrator refuses to
grant full or partial indemnification based
on collusive action, the defendant may pur-
sue any available remedy against the
claimant.

(x) REFUSAL TO MAKE OFFER.—If a
defendant refuses to make an offer of
judgment, the claimant may continue to
seek a judgment or order for monetary
damages from the court where the case is
currently pending in an amount not to exceed 150 percent of what the claimant would receive if the claimant had filed a claim with the Fund. Such a judgment or order may also provide an award for claimant’s attorneys’ fees and the costs of litigation.

(xii) Rejection of offer.—If the claimant rejects the offer as less than what the claimant would qualify to receive under section 131, the claimant may immediately pursue the claim in court where the claimant shall demonstrate, in addition to all other essential elements of the claimant’s claim against any defendant, that the claimant meets the requirements of section 121.

(B) Pursual of exigent health claims.—

(i) Stay.—If a claimant does not elect to seek an offer of judgment under subparagraph (A), the pending claim is stayed for 9 months after the date of enactment of this Act.
(ii) Defendant offer.—If a claimant does not elect to seek an offer of judgment under subparagraph (A), the defendant may elect to make an offer according to the provisions of this paragraph, except that a claimant shall not be required to accept that offer. The claimant shall accept or reject the offer within 20 days.

(iii) Claims facility.—If a claimant does not elect to seek an offer of judgment under subparagraph (A), the claimant may seek an award from the Fund through the claims facility under section 106 (c)(4).

(iv) Continuance of claims.—If, after 9 months after the date of enactment of this Act, the Administrator cannot certify to Congress that the Fund is operational and paying exigent health claims at a reasonable rate, each person that has filed an exigent health claim before such date of enactment and stayed under this paragraph may continue their exigent health claims in the court where the case was pending on the date of enactment of this Act. For exigent claims filed after the
date of enactment of this Act, by claimants who do not elect to seek an offer of judgment under subparagraph (A), the pending claim is stayed for 9 months after the date the claim is filed, unless during that period the Administrator can certify to Congress that the Fund is operational and paying valid claims at a reasonable rate.

(C) CREDIT OF CLAIM AND EFFECT OF OPERATIONAL FUND.—If an asbestos claim is pursued in Federal or State court in accordance with this paragraph, any recovery by the claimant shall be a collateral source compensation for purposes of section 134.

(3) PURSUAL OF ASBESTOS CLAIMS IN FEDERAL OR STATE COURT.—

(A) IN GENERAL.—Notwithstanding any other provision of this Act, if, not later than 24 months after the date of enactment of this Act, the Administrator cannot certify to Congress that the Fund is operational and paying all valid claims at a reasonable rate, any person with a non-exigent asbestos claim stayed under this paragraph, except for any person whose claim does not exceed a Level I claim, may pur-
sue that claim in the Federal district court or State court located within—

(i) the State of residence of the claimant; or

(ii) the State in which the asbestos exposure arose.

(B) DEFENDANTS NOT FOUND.—If any defendant cannot be found in the State described in clause (i) or (ii) of subparagraph (A), the claim may be pursued in the Federal district court or State court located within any State in which the defendant may be found.

(C) DETERMINATION OF MOST APPROPRIATE FORUM.—If a person alleges that the asbestos exposure occurred in more than 1 county (or Federal district), the trial court shall determine which State and county (or Federal district) is the most appropriate forum for the claim. If the court determines that another forum would be the most appropriate forum for a claim, the court shall dismiss the claim. Any otherwise applicable statute of limitations shall be tolled beginning on the date the claim was filed and ending on the date the claim is dismissed under this subparagraph.
(D) STATE VENUE REQUIREMENTS.—

Nothing in this paragraph shall preempt or supersede any State’s law relating to venue requirements within that State which are more restrictive.

(E) CREDIT OF CLAIM AND EFFECT OF OPERATIONAL OR NONOPERATIONAL FUND.—

(i) CREDIT OF CLAIM.—If an asbestos claim is pursued in Federal or State court in accordance with this paragraph, any recovery by the claimant shall be a collateral source compensation for purposes of section 134.

(ii) OPERATIONAL FUND.—If the Administrator subsequently certifies to Congress that the Fund has become operational and paying all valid asbestos claims at a reasonable rate, any claim in a civil action in Federal or State court that is not actually on trial before a jury which has been impaneled and presentation of evidence has commenced, but before its deliberation, or before a judge and is at the presentation of evidence, may, at the option of the claimant, be deemed a rein-
stated claim against the Fund and the civil action before the Federal or State court shall be null and void.

(iii) **Nonoperational Fund.**—Notwithstanding any other provision of this Act, if the Administrator subsequently certifies to Congress that the Fund cannot become operational and paying all valid asbestos claims at a reasonable rate, all asbestos claims that have a stay may be filed or reinstated.

(f) **Stay of Claims; Return to Tort System.**—

(1) **Stay of Claims.**—Notwithstanding any other provision of this Act, any asbestos claim pending on the date of enactment of this Act, other than a claim to which section 403(d)(2) applies, shall be subject to a stay.

(2) **Exigent Health Claims.**—

(A) **Procedures for Settlement of Exigent Health Claims.**—

(i) **In General.**—Any person that has filed an exigent health claim, as provided under subsection (c)(2), seeking a judgment or order for monetary damages in any Federal or State court before the date of the en-
actment of this Act, may seek a settlement in accordance with this paragraph. Any person with an exigent health claim, as provided under subsection (c)(2), that arises after such date of enactment may seek a settlement offer in accordance with this paragraph.

(ii) FILING.—

(I) IN GENERAL.—At any time before the Fund or claims facility being certified as operational and paying exigent health claims at a reasonable rate, any person with an exigent health claim as described under clause (i) shall file a notice of their intent to seek a settlement or shall file their exigent health claim with the Administrator or claims facility. Filing of an exigent health claim with the Administrator or claims facility may serve as notice of intent to seek a settlement.

(II) STAY.—If the claimant fails to file under this clause, the stay shall remain in effect except as provided under subparagraph (B).
(iii) Exigent health claim information.—To file an exigent health claim, each individual shall provide all of the following information:

(I) The amount received or entitled to be received as a result of all settlements that would qualify as a collateral source under section 134, and copies of all settlement agreements and related documents sufficient to show the accuracy of that amount.

(II) All information that the claimant would be required to provide to the Administrator in support of a claim under sections 113 and 121.

(III) A certification by the claimant that the information provided is true and complete. The certification provided under this subclause shall be subject to the same penalties for false or misleading statements that would be applicable with regard to information provided to the Administrator or claims facility in support of a claim.
(IV) For exigent health claims arising after the date of enactment of this Act, the claimant shall identify each defendant that would be an appropriate defendant in a civil action seeking damages for the asbestos claim of the claimant. The identification of a defendant under this subclause shall be required to comply with rule 11 of the Federal Rules of Civil Procedure.

(iv) Timing.—A claimant who has filed a notice of their intent to seek a settlement under clause (ii) shall within 60 days after filing notice provide to the Administrator or claims facility, and all affected defendants the information required under clause (iii). If a claimant has filed an exigent health claim under clause (ii) the Administrator shall provide all affected defendants the information required under clause (iii).

(v) Administrator or claims facility certification of settlement.—

(I) Determination.—Within 60 days after the information under
clause (iii) is provided, the Administrator or claims facility shall determine whether or not the claim meets the requirements of an exigent health claim.

(II) REQUIREMENTS MET.—If the Administrator or claims facility determines that the claim meets the requirements of an exigent health claim, the Administrator or claims facility shall immediately—

(aa) issue and serve on all parties a certification of eligibility of such claim;

(bb) determine the value of such claim under the Fund by subtracting from the amount in section 131 the total amount of collateral source compensation received by the claimant; and

(cc) pay the award of compensation to the claimant under clause (xi).

(III) REQUIREMENTS NOT MET.— If the requirements under clause (iii)
are not met, the claimant shall have 30 days to perfect the claim. If the claimant fails to perfect the claim within that 30-day period or the Administrator or claims facility determines that the claim does not meet the requirements of an exigent health claim, the claim shall not be eligible to proceed under this paragraph. A claimant may appeal any decision issued by a claims facility with the Administrator in accordance with section 114.

(vi) FAILURE TO CERTIFY.—If the Administrator or claims facility is unable to process the claim and does not make a determination regarding the certification of the claim as required under clause (v), the Administrator or claims facility shall within 10 days after the end of the 60-day period referred to under clause (v)(I) provide notice of the failure to act to the claimant and the defendants in the pending Federal or State court action or the defendants identified under clause (iii)(IV). If the Administrator or claims facility fails to pro-
vide such notice within 10 days, the claim-
ant may elect to provide the notice to the
affected defendants to prompt a settlement
offer.

(vii) FAILURE TO PAY.—If the Admin-
istrator or claims facility does not pay the
award as required under clause (xi), the
Administrator shall refer the certified claim
within 10 days as a certified exigent health
claim to the defendants in the pending Fed-
eral and State court action or to the poten-
tial defendants identified under clause
(iii)(iv) for exigent claims arising after the
date of enactment of this Act.

(viii) SETTLEMENT OFFER.—Any de-
fendant or defendants may, within 30 days
after receipt of such notice as provided
under clause (vi) or (vii), file and serve on
all parties and the Administrator a good
faith settlement offer in an aggregate
amount not to exceed the total amount to
which the claimant may be entitled under
section 131. If the aggregate amount offered
by all defendants exceeds the award deter-
mined by the Administrator, all offers shall
be deemed reduced pro-rata until the aggregate amount equals the award amount. An acceptance of such settlement offer in a pending court action shall be subject to approval by the trial judge or authorized magistrate in the court where the claim is pending. The court shall approve any such accepted offer within 20 days after a request, unless there is evidence of bad faith or fraud. No court approval is necessary if the exigent health claim was certified by the Administrator or claims facility under clause (v).

(ix) OPPORTUNITY TO CURE.—If the settlement offer is rejected for being less than what the claimant was entitled to under the Fund, the defendants shall have 10 business days to make an amended offer. If the amended offer equals 100 percent of what the claimant would receive under the Fund, the claimant shall accept such settlement offer in writing. If the settlement offer is again rejected as less than what the claimant is entitled to under the Fund or if defendants fail to make an amended offer,
the claimant shall be entitled to recover 150 percent of what the claimant would receive under the Fund before the stay being lifted under subparagraph (B). If the amount of the amended settlement offer made by the Administrator, claims facility, or defendants equals 150 percent of what the claimant would receive under the Fund, the claimant shall accept such settlement in writing.

(x) ACCEPTANCE OR REJECTION.—

Within 20 days after receipt of the settlement offer, or the amended settlement offer, the claimant shall either accept or reject such offer in writing. If the amount of the settlement offer made by the Administrator, claims facility, or defendants equals 100 percent of what the claimant would receive under the Fund, the claimant shall accept such settlement in writing.

(xi) PAYMENT SCHEDULE.—

(I) MESOTHELIOMA CLAIMANTS.—

For mesothelioma claimants—

(aa) an initial payment of 50 percent shall be made within
30 days after the date the settlement is accepted and the second and final payment shall be made 6 months after date the settlement is accepted; or

(bb) if the Administrator determines that the payment schedule would impose a severe financial hardship on the Fund, or if the court determines that the settlement offer would impose a severe financial hardship on the defendant, the payments may be extended 50 percent in 6 months and 50 percent 11 months after the date the settlement offer is accepted.

(II) OTHER EXIGENT CLAIMANTS.—For other exigent claimants, as defined under section 106(c)(2)(B and (C)—

(aa) the initial payment of 50 percent shall be made within 6 months after the date the settlement is accepted and the second
and final payment shall be made
12 months after date the settlement is accepted; or

(bb) if the Administrator determines that the payment schedule would impose a severe financial hardship on the Fund, or if the court determines that the settlement offer would impose a severe financial hardship on the defendants, the payments may be extended 50 percent within 1 year after the date the settlement offer is accepted and 50 percent in 2 years after date the settlement offer is accepted.

(III) RELEASE.—Once a claimant has received final payment of the accepted settlement offer the claimant shall release any outstanding asbestos claims.

(xii) RECOVERY OF COSTS.—

(I) IN GENERAL.—Any defendant whose settlement offer is accepted may recover the cost of such settlement by
deducting from the defendant’s next
and subsequent contributions to the
Fund the full amount of the payment
made by such defendant to the exigent
health claimant, unless the Adminis-
trator finds, on the basis of clear and
convincing evidence, that the defend-
ant’s offer is not in good faith. Any
such payment shall be considered a
payment to the Fund for purposes of
section 404(e)(1) and in response to the
payment obligations imposed on de-
fendant and insurer participants in
title II.

(II) REIMBURSEMENT.—Notwith-
standing subclause (I), if the deduc-
tions from the defendant participant’s
next and subsequent contributions to
the Fund do not fully recover the cost
of such payments on or before its third
annual contribution to the Fund, the
Fund shall reimburse such defendant
for such remaining cost not later than
6 months after the date of the third
scheduled Fund contribution.
(xiii) Failure to Make Offer.—If defendants fail to make a settlement offer within the 30-day period described under clause (viii) or make amended offers within the 10 business day cure period described under clause (ix), the claimant shall be entitled to recover 150 percent of what the claimant would receive under the Fund before the stay being lifted under subparagraph (B).

(xiv) Failure to Pay.—If defendants fail to pay an accepted settlement offer within the payment schedule under clause (xi), the claimant shall be entitled to recover 150 percent of what the claimant would receive under the Fund before the stay being lifted under subparagraph (B). If the stay is lifted under subparagraph (B) the claimant may seek a judgment or order for monetary damages from the court where the case is currently pending or the appropriate Federal or State court for claims arising after the date of enactment of this Act.

(B) Continuation of Exigent Health Claims.—If 9 months after an exigent health
claim has been filed under subparagraph (A)(ii),
a claimant has not received a settlement under
subparagraph (A)(xi) and the Administrator has
not certified to Congress that the Fund or claims
facility is operational and paying exigent health
claims at a reasonable rate, such exigent health
claimant, may seek a judgment or order for
monetary damages from the court where the case
is currently pending or the appropriate Federal
or State court for claims arising after the date
of enactment of this Act.

(C) CREDIT OF CLAIM AND EFFECT OF
OPERATIONAL FUND.—

(i) COLLATERAL SOURCE.—If an asbes-
tos claim is pursued in Federal or State
court in accordance with this paragraph,
any recovery by the claimant shall be a col-
lateral source compensation for purposes of
section 134.

(ii) RECOVERY OF COSTS.—Any de-
fendant may recover the cost of any claim
continued in court for up to the amount the
claimant would receive under the Fund by
deducting from the defendant’s next and
subsequent contributions to the Fund for the
full amount of the payment made by such
defendant to the exigent health claimant.

(3) PURSUAL OF NON-EXIGENT ASBESTOS CLAIMS
IN FEDERAL OR STATE COURT.—

(A) In general.—Notwithstanding any
other provision of this Act, if not later than 24
months after the date of enactment of this Act,
the Administrator cannot certify to Congress
that the Fund is operational and paying all
valid claims at a reasonable rate, any person
with a non-exigent asbestos claim stayed, except
for any person whose claim does not exceed a
Level I claim, may pursue that claim in the
Federal district court or State court located
within—

   (i) the State of residence of the claim-

   ant; or

   (ii) the State in which the asbestos ex-

   posure occurred.

(B) Defendants not found.—If any de-

fendant cannot be found in the State described
under subparagraph (A) (i) or (ii), the claim
may be pursued in the Federal district court or
State court located within any State in which
the defendant may be found.
(C) Determination of Most Appropriate Forum.—If a person alleges that the asbestos exposure occurred in more than 1 county (or Federal district), the trial court shall determine which State and county (or Federal district) is the most appropriate forum for the claim. If the court determines that another forum would be the most appropriate forum for a claim, the court shall dismiss the claim. Any otherwise applicable statute of limitations shall be tolled beginning on the date the claim was filed and ending on the date the claim is dismissed under this subparagraph.

(D) State Venue Requirements.—Nothing in this paragraph shall preempt or supersede any State law relating to venue requirements within that State which are more restrictive.

(E) Credit of Claim and Effect of Operational or Nonoperational Fund.—

(i) Credit of Claim.—If an asbestos claim is pursued in Federal or State court in accordance with this paragraph, any recovery by the claimant shall be a collateral source compensation for purposes of section 134.
(ii) Operational Certification.—
Operational certification shall be a filing in the Federal Register confirming that the Fund is operational and paying all valid asbestos claims at a reasonable rate.

(iii) Operational Preconditions.—
(I) The Administrator may not issue a operational certification until—

(aa) 60 days after the funding allocation information required under section 221(e) has been published in the Federal Register; and

(bb) insurers subject to section 212(a)(3) submit their names and information to the Administrator within 30 days after the date of enactment of this Act and 60 days after the Administrator publishes such information in the Federal Register.

(iv) Operational Fund.—If the Administrator issues an operational certification and notifies Congress that the Fund
has become operational and paying all
valid asbestos claims at a reasonable rate,
any nonexigent asbestos claim in a civil ac-
tion in Federal or State court that is not on
trial before a jury which has been
impaneled and presentation of evidence has
commenced, but before its deliberation, or
before a judge and is at the presentation of
evidence shall be deemed a reinstated claim
against the Fund and the civil action before
the Federal or State court shall be null and
void.

(v) NONOPERATIONAL FUND.—Notwith-
standing any other provision of this Act, if
the Administrator subsequently issues a
nonoperational certification and notifies
Congress that the Fund is unable to become
operational and pay all valid asbestos
claims at a reasonable rate, all asbestos
claims that have a stay may be filed or re-
instated.

(II) evidence of TLC or FVC less

tion in question, and excluding more
likely causes of that pulmonary condition.

(ii) **Subsequent Malignant Disease.**—If a Libby, Montana, claimant develops malignant disease, such that the claimant qualifies for Level VI, VII, VIII, or IX, subparagraph (A) shall apply.

(b) **Statute of Limitations.**—

(1) **In General.**—Except as otherwise provided in this subsection, if an individual fails to file a claim with the Office under this section within 5 years after the date on which the individual first—

(A) received a medical diagnosis of an eligible disease or condition as provided for under this subtitle and subtitle C; or

(B) discovered facts that would have led a reasonable person to obtain a medical diagnosis with respect to an eligible disease or condition, any claim relating to that injury, and any other asbestos claim related to that injury. If a claim is not filed with the Office within the limitations period specified in this subsection for that category of claim, such claim shall be extinguished, and any recovery thereon shall be prohibited.
(2) INITIAL CLAIMS.—An initial claim for an award under this Act shall be filed within 5 years after the date on which the claimant first received a medical diagnosis and medical test results sufficient to satisfy the criteria for the disease level for which the claimant is seeking compensation.

(3) CLAIMS FOR ADDITIONAL AWARDS.—

(A) NON-MALIGNANT DISEASES.—If a claimant has previously filed a timely initial claim for compensation for any non-malignant disease level, there shall be no limitations period applicable to the filing of claims by the claimant for additional awards for higher disease levels based on the progression of the non-malignant disease.

(B) MALIGNANT DISEASES.—Regardless of whether the claimant has previously filed a claim for compensation for any other disease level, a claim for compensation for a malignant disease level shall be filed within 5 years after the claimant first obtained a medical diagnosis and medical test results sufficient to satisfy the criteria for the malignant disease level for which the claimant is seeking compensation.
(2) EXCEPTION.—The statute of limitations in paragraph (1) does not apply to the progression of nonmalignant diseases once the initial claim has been filed.

(3)(4) EFFECT ON PENDING CLAIMS.—

(A) IN GENERAL.—If, on the date of enactment of this Act, an asbestos claimant has any timely filed asbestos claim that is preempted under section 403(e), such claimant shall file a claim under this section within 5 years after such date of enactment, or any claim relating to that injury, and any other asbestos claim related to that injury shall be extinguished, and recovery there shall be prohibited.

(B) SPECIAL RULE.—For purposes of this paragraph, a claim shall not be treated as pending with a trust established under title 11, United States Code, solely because a claimant whose claim was previously compensated by the trust has or alleges—

(i) a non-contingent right to the payment of future installments of a fixed award; or
(ii) a contingent right to recover some additional amount from the trust on the occurrence of a future event, such as the reevaluation of the trust’s funding adequacy or projected claims experience.

(4) Effect of Multiple Injuries.—

(A) In General.—An asbestos claimant who receives an award under this title for an eligible disease or condition, and who subsequently develops another such injury, shall be eligible for additional awards under this title (subject to appropriate setoffs for such prior recovery of any award under this title and from any other collateral source) and the statute of limitations under paragraph (1) shall not begin to run with respect to such subsequent injury until such claimant obtains a medical diagnosis of such other injury or discovers facts that would have led a reasonable person to obtain such a diagnosis.

(B) Setoffs.—Except as provided in subparagraph (C), any amounts paid or to be paid for a prior award under this Act shall be deducted as a setoff against amounts payable for the second injury claim.
(C) EXCEPTION.—Any amounts paid or to be paid for a prior claim for a nonmalignant disease (Levels I through V) filed against the Fund shall not be deducted as a setoff against amounts payable for the second injury claim for a malignant disease (Levels VI through IX), unless the malignancy was diagnosed, or the asbestos claimant had discovered facts that would have led a reasonable person to obtain such a diagnosis, before the date on which the nonmalignancy claim was compensated.

(c) REQUIRED INFORMATION.—A claim filed under subsection (a) shall be in such form, and contain such information in such detail, as the Administrator shall by regulation prescribe. At a minimum, a claim shall include—

(1) the name, social security number, gender, date of birth, and, if applicable, date of death of the claimant;

(2) information relating to the identity of dependents and beneficiaries of the claimant;

(3) an employment history sufficient to establish required asbestos exposure, accompanied by social security or other payment records or a signed release permitting access to such records;
(4) a description of the asbestos exposure of the claimant, including, to the extent known, information on the site, or location of exposure, and duration and intensity of exposure;

(5) a description of the tobacco product use history of the claimant, including frequency and duration;

(6) an identification and description of the asbestos-related diseases or conditions of the claimant, accompanied by a written report by the claimant’s physician with medical diagnoses and x-ray films, and other test results necessary to establish eligibility for an award under this Act;

(7) a description of any prior or pending civil action or other claim brought by the claimant for asbestos-related injury or any other pulmonary, parenchymal, or pleural injury, including an identification of any recovery of compensation or damages through settlement, judgment, or otherwise; and

(8) for any claimant who asserts that he or she is a nonsmoker or an ex-smoker, as defined in section 131, for purposes of an award under Malignant Level VI, Malignant Level VII, or Malignant Level VIII, evidence to support the assertion of non-
smoking or ex-smoking, including relevant medical records.

(d) DATE OF FILING.—A claim shall be considered to be filed on the date that the claimant mails the claim to the Office, as determined by postmark, or on the date that the claim is received by the Office, whichever is the earliest determinable date.

(e) INCOMPLETE CLAIMS.—If a claim filed under subsection (a) is incomplete, the Administrator shall notify the claimant of the information necessary to complete the claim and inform the claimant of such services as may be available through the Claimant Assistance Program established under section 104 to assist the claimant in completing the claim. Any time periods for the processing of the claim shall be suspended until such time as the claimant submits the information necessary to complete the claim. If such information is not received within 1 year after the date of such notification, the claim shall be dismissed.

SEC. 114. ELIGIBILITY DETERMINATIONS AND CLAIM AWARDS.

(a) IN GENERAL.—

(1) REVIEW OF CLAIMS.—The Administrator shall, in accordance with this section, determine whether each claim filed under the Fund or claims
facility satisfies the requirements for eligibility for
an award under this Act and, if so, the value of the
award. In making such determinations, the Adminis-
trator shall consider the claim presented by the
claimant, the factual and medical evidence submitted
by the claimant in support of the claim, the medical
determinations of any Physicians Panel to which a
claim is referred under section 121, and the results
of such investigation as the Administrator may deem
necessary to determine whether the claim satisfies
the criteria for eligibility established by this Act.

(2) ADDITIONAL EVIDENCE.—The Adminis-
trator may request the submission of medical evi-
dence in addition to the minimum requirements of
section 113(c) if necessary or appropriate to make
a determination of eligibility for an award, in which
case the cost of obtaining such additional informa-
tion or testing shall be borne by the Office.

(b) PROPOSED DECISIONS.—Not later than 90 days
after the filing of a claim, the Administrator shall provide
to the claimant (and the claimant’s representative) a pro-
posed decision accepting or rejecting the claim in whole
or in part and specifying the amount of the proposed
award, if any. The proposed decision shall be in writing,
shall contain findings of fact and conclusions of law, and
shall contain an explanation of the procedure for obtaining
review of the proposed decision.

(c) Payments if No Timely Proposed Decision.—If the Administrator has received a complete claim and has not provided a proposed decision to the claimant under subsection (b) within 180 days after the filing of the claim, the claim shall be deemed accepted and the claimant shall be entitled to payment under section 133(a)(2). If the Administrator subsequently rejects the claim the claimant shall receive no further payments under section 133. If the Administrator subsequently rejects the claim in part, the Administrator shall adjust future payments due the claimant under section 133 accordingly. In no event may the Administrator recover amounts properly paid under this section from a claimant.

(d) Review of Proposed Decisions.—

(1) Right to hearing.—

(A) In general.—Any claimant not satisfied with a proposed decision of the Administrator under subsection (b) shall be entitled, on written request made within 90 days after the date of the issuance of the decision, to a hearing on the claim of that claimant before a representative of the Administrator. At the hearing, the claimant shall be entitled to present
oral evidence and written testimony in further support of that claim.

(B) CONDUCT OF HEARING.—When practicable, the hearing will be set at a time and place convenient for the claimant. In conducting the hearing, the representative of the Administrator shall not be bound by common law or statutory rules of evidence, by technical or formal rules of procedure, or by section 554 of title 5, United States Code, except as provided by this Act, but shall conduct the hearing in such manner as to best ascertain the rights of the claimant. For this purpose, the representative shall receive such relevant evidence as the claimant adduces and such other evidence as the representative determines necessary or useful in evaluating the claim.

(C) REQUEST FOR SUBPOENAS.—

(i) IN GENERAL.—A claimant may request a subpoena but the decision to grant or deny such a request is within the discretion of the representative of the Administrator. The representative may issue subpoenas for the attendance and testimony of witnesses, and for the production of books,
records, correspondence, papers, or other relevant documents. Subpoenas are issued for documents only if such documents are relevant and cannot be obtained by other means, and for witnesses only where oral testimony is the best way to ascertain the facts.

(ii) REQUEST.—A claimant may request a subpoena only as part of the hearing process. To request a subpoena, the requester shall—

(I) submit the request in writing and send it to the representative as early as possible, but no later than 30 days after the date of the original hearing request; and

(II) explain why the testimony or evidence is directly relevant to the issues at hand, and a subpoena is the best method or opportunity to obtain such evidence because there are no other means by which the documents or testimony could have been obtained.
(iii) **FEES AND MILEAGE.**—Any person required by such subpoena to attend as a witness shall be allowed and paid the same fees and mileage as are paid witnesses in the district courts of the United States. Such fees and mileage shall be paid from the Fund.

(2) **REVIEW OF WRITTEN RECORD.**—In lieu of a hearing under paragraph (1), any claimant not satisfied with a proposed decision of the Administrator shall have the option, on written request made within 90 days after the date of the issuance of the decision, of obtaining a review of the written record by a representative of the Administrator. If such review is requested, the claimant shall be afforded an opportunity to submit any written evidence or argument which the claimant believes relevant.

(e) **FINAL DECISIONS.**—

(1) **IN GENERAL.**—If the period of time for requesting review of the proposed decision expires and no request has been filed, or if the claimant waives any objections to the proposed decision, the Administrator shall issue a final decision. If such decision materially differs from the proposed decision, the
claimant shall be entitled to review of the decision under subsection (d).

(2) **TIME AND CONTENT.**—If the claimant requests review of all or part of the proposed decision the Administrator shall issue a final decision on the claim not later than 180 days after the request for review is received, if the claimant requests a hearing, or not later than 90 days after the request for review is received, if the claimant requests review of the written record. Such decision shall be in writing and contain findings of fact and conclusions of law.

(f) **REPRESENTATION.**—A claimant may authorize an attorney or other individual to represent him or her in any proceeding under this Act.

**SEC. 115. MEDICAL EVIDENCE AUDITING PROCEDURES.**

(a) **IN GENERAL.**—

(1) **DEVELOPMENT.**—The Administrator shall develop methods for auditing and evaluating the medical evidence submitted as part of a claim the *claims process*. The Administrator may develop additional methods for auditing and evaluating other types of evidence or information received by the Administrator.

(2) **REFUSAL TO CONSIDER CERTAIN EVIDENCE.**—
(A) IN GENERAL.—If the Administrator determines that an audit conducted in accordance with the methods developed under paragraph (1) demonstrates that the medical evidence submitted by a specific physician or medical facility is not consistent with prevailing medical practices or the applicable requirements of this Act, any medical evidence from such physician or facility shall be unacceptable for purposes of establishing eligibility for an award under this Act.

(B) NOTIFICATION.—Upon a determination by the Administrator under subparagraph (A), the Administrator shall notify the physician or medical facility involved of the results of the audit. Such physician or facility shall have a right to appeal such determination under procedures issued by the Administrator.

(b) REVIEW OF CERTIFIED B-READERS.—

(1) IN GENERAL.—At a minimum, the Administrator shall prescribe procedures to randomly assign claims for evaluation by an independent certified B-reader of x-rays submitted in support of a claim, the cost of which shall be borne by the Office.
(1) **IN GENERAL.**—The Administrator shall prescribe procedures to randomly evaluate the x-rays submitted in support of a statistically significant number of claims by independent certified B-readers, the cost of which shall be paid by the Fund.

(2) **DISAGREEMENT.**—If an independent certified B-reader assigned under paragraph (1) disagrees with the quality grading or ILO level assigned to an x-ray submitted in support of a claim, the Administrator shall require a review of such x-rays by a second independent certified B-reader.

(3) **EFFECT ON CLAIM.**—If neither certified B-reader under paragraph (2) agrees with the quality grading and the ILO grade level assigned to an x-ray as part of the claim, the Administrator shall take into account the findings of the 2 independent B readers in making the determination on such claim.

(4) **CERTIFIED B-READERS.**—The Administrator shall maintain a list of a minimum of 50 certified B-readers eligible to participate in the independent reviews, chosen from all certified B-readers. When an x-ray is sent for independent review, the Administrator shall choose the certified B-reader at random from that list.
(c) SMOKING ASSESSMENT.—

(1) IN GENERAL.—

(A) RECORDS AND DOCUMENTS.—To aid in the assessment of the accuracy of claimant representations as to their smoking status for purposes of determining eligibility and amount of award under Malignant Level VI, Malignant Level VII, or Malignant Level VIII, and exceptional medical claims, the Administrator shall have the authority to obtain relevant records and documents, including—

(i) records of past medical treatment and evaluation;

(ii) affidavits of appropriate individuals;

(iii) applications for insurance and supporting materials; and

(iv) employer records of medical examinations.

(B) CONSENT.—The claimant shall provide consent for the Administrator to obtain such records and documents where required.

(2) REVIEW.—The frequency of review of records and documents submitted under paragraph (1)(A) shall be at the discretion of the Adminis-
trator, but shall address at least 5 percent of the
claimants asserting status as nonsmokers or ex-
smokers.

(3) CONSENT.—The Administrator may require
the performance of blood tests or any other appro-
appropriate medical test, such as serum cotinine screen-
ing, where claimants assert they are nonsmokers or
ex-smokers for purposes of an award under Malign-
ant Level VI, Malignant Level VII, or Malignant
Level VIII, or as an exceptional medical claim; the
cost of which shall be borne by the Office:

(3) CONSENT.—

(A) IN GENERAL.—The Administrator may
require the performance of blood tests or any
other appropriate medical test, where claimants
assert they are nonsmokers or ex-smokers for
purposes of an award under Malignant Level VI,
VII, or VIII, or as an exceptional medical claim,
the cost of which shall be paid by the Fund.

(B) SERUM COTININE SCREENING.—The Ad-
ministrator shall require the performance of
serum cotinine screening on all claimants who
assert they are nonsmokers or ex-smokers for
purposes of an award under Malignant Level VI,
VII, or VIII, or as an exceptional medical claim, the cost of which shall be paid by the Fund.

(4) Penalty for false statements.—Any false information submitted under this subsection shall be subject to criminal prosecution or civil penalties as provided under section 1348 of title 18, United States Code (as added by this Act) and section 101(c)(2).

(d) Pulmonary function testing.—The Administrator shall develop auditing procedures for pulmonary function test results submitted as part of a claim, to ensure that such tests are conducted in accordance with American Thoracic Society Criteria, as defined under section 121(a)(13).

Subtitle C—Medical Criteria

Sec. 121. Medical criteria requirements.

(a) Definitions.—In this section, the following definitions shall apply:

(A) IN GENERAL.—The term “substantial occupational exposure” means employment in an industry and an occupation where for a substantial portion of a normal work year for that occupation, the claimant—

(i) handled raw asbestos fibers;
(ii) fabricated asbestos-containing products so that the claimant in the fabrication process was exposed to raw asbestos fibers;

(iii) altered, repaired, or otherwise worked with an asbestos-containing product such that the claimant was exposed on a regular basis to asbestos fibers; or

(iv) worked in close proximity to other workers engaged in the activities described under clause (i), (ii), or (iii), such that the claimant was exposed on a regular basis to asbestos fibers.

(B) REGULAR BASIS.—In this paragraph, the term “on a regular basis” means on a frequent or recurring basis.

(15) TLC.—The term “TLC” means total lung capacity, which is the total volume of air in the lung after maximal inspiration.

(16) WEIGHTED OCCUPATIONAL EXPOSURE.—

(A) IN GENERAL.—The term “weighted occupational exposure” means exposure for a period of years calculated according to the exposure weighting formula under subparagraphs (B) through (E).
(B) M O D E R A T E E X P O S U R E .—S u b j e c t t o
subparagraph (E), each year that a claimant’s
primary occupation, during a substantial por-
tion of a normal work year for that occupation,
involved working in areas immediate to where
asbestos-containing products were being in-
stalled, repaired, or removed under cir-
cumstances that involved regular airborne emis-
sions of asbestos fibers, shall count as 1 year
of substantial occupational exposure.

(C) H E A V Y E X P O S U R E .—S u b j e c t t o sub-
paragraph (E), each year that a claimant’s pri-
mary occupation, during a substantial portion
of a normal work year for that occupation, in-
volved the direct installation, repair, or removal
of asbestos-containing products such that the
person was exposed on a regular basis to asbes-
tos fibers, shall count as 2 years of substantial
occupational exposure.

(D) V E R Y H E A V Y E X P O S U R E .—S u b j e c t t o
subparagraph (E), each year that a claimant’s
primary occupation, during a substantial por-
tion of a normal work year for that occupation,
was in primary asbestos manufacturing, a
World War II shipyard, or the asbestos insula-
tion trades, such that the person was exposed
on a regular basis to asbestos fibers, shall count
as 4 years of substantial occupational exposure.

(E) DATES OF EXPOSURE.—Each year of
exposure calculated under subparagraphs (B),
(C), and (D) that occurred before 1976 shall be
counted at its full value. Each year from 1976
to 1986 shall be counted as \( \frac{1}{2} \) of its value.
Each year after 1986 shall be counted as \( \frac{1}{10} \)
of its value.

(F) OTHER CLAIMS.—Individuals who do
not meet the provisions of subparagraphs (A)
through (E) and believe their post-1976 or
post-1986 exposures exceeded the Occupational
Safety and Health Administration standard
may submit evidence, documentation, work his-
tory, or other information to substantiate non-
compliance with the Occupational Safety and
Health Administration standard (such as lack
of engineering or work practice controls, or pro-
tective equipment) such that exposures would
be equivalent to exposures before 1976 or 1986,
or to documented exposures in similar jobs or
occupations where control measures had not
been implemented. Claims under this subpar-
graph shall be evaluated on an individual basis by a Physicians Panel.

(b) MEDICAL EVIDENCE.—

(1) LATENCY.—Unless otherwise specified, all diagnoses of an asbestos-related disease for a level under this section shall be accompanied by—

(A) a statement by the physician providing the diagnosis that at least 10 years have elapsed between the date of first exposure to asbestos or asbestos-containing products and the diagnosis; or

(B) a history of the claimant’s exposure that is sufficient to establish a 10-year latency period between the date of first exposure to asbestos or asbestos-containing products and the diagnosis.

(2) DIAGNOSTIC GUIDELINES.—All diagnoses of asbestos-related diseases shall be based upon—

(A) for disease Levels I through V, in the case of a claimant who was living at the time the claim was filed—

(i) a physical examination of the claimant by the physician providing the diagnosis;
(ii) an evaluation of smoking history and exposure history before making a diagnosis;

(iii) an x-ray reading by a certified B-reader; and

(iv) pulmonary function testing in the case of disease Levels III, IV, and V;

(B) for disease Levels I through V, in the case of a claimant who was deceased at the time the claim was filed, a report from a physician based upon a review of the claimant’s medical records which shall include—

(i) pathological evidence of the non-malignant asbestos-related disease; or

(ii) an x-ray reading by a certified B-reader;

(C) for disease Levels VI through IX, in the case of a claimant who was living at the time the claim was filed—

(i) a physical examination by the claimant’s physician providing the diagnosis; or

(ii) a diagnosis of such a malignant asbestos-related disease, as described in
this section, by a board-certified pathologist; and

(D) for disease Levels VI through IX, in the case of a claimant who was deceased at the time the claim was filed—

   (i) a diagnosis of such a malignant asbestos-related disease, as described in this section, by a board-certified pathologist; and

   (ii) a report from a physician based upon a review of the claimant’s medical records.

(3) CREDIBILITY OF MEDICAL EVIDENCE.—To ensure the medical evidence provided in support of a claim is credible and consistent with recognized medical standards, a claimant under this title may be required to submit—

   (A) x-rays or computerized tomography;

   (B) detailed results of pulmonary function tests;

   (C) laboratory tests;

   (D) tissue samples;

   (E) results of medical examinations;

   (F) reviews of other medical evidence; and
(G) medical evidence that complies with recognized medical standards regarding equipment, testing methods, and procedure to ensure the reliability of such evidence as may be submitted.

(c) Exposure Evidence.—

(1) In general.—To qualify for any disease level, the claimant shall demonstrate—

(A) a minimum exposure to asbestos or asbestos-containing products;

(B) the exposure occurred in the United States, its territories or possessions, or while a United States citizen, while an employee of an entity organized under any Federal or State law regardless of location, or while a United States citizen while serving on any United States flagged or owned ship, provided the exposure results from such employment or service; and

(C) any additional asbestos exposure requirement under this section.

(2) Proof of Exposure.—

(A) Affidavits.—Exposure to asbestos sufficient to satisfy the exposure requirements for any disease level may be established by an affidavit of—
(i) the claimant; or

(ii) if the claimant is deceased, a co-worker or a family member, if the affidavit of the claimant, co-worker, or family member is found in proceedings under this title to be reasonably reliable, attesting to the claimant’s exposure; and is credible and is not contradicted by other evidence.

(B) OTHER PROOF.—Exposure to asbestos may alternatively be established by invoices, construction or other similar records, or any other reasonably reliable evidence.

(3) TAKE-HOME EXPOSURE.—

(A) IN GENERAL.—A claimant may alternatively satisfy the medical criteria requirements of this section where a claim is filed by a person who alleges their exposure to asbestos was the result of living with a person who, if the claim had been filed by that person, would have met the exposure criteria for the given disease level, and the claimant lived with such person for the time period necessary to satisfy the exposure requirement, for the claimed disease level.
(B) REVIEW.—Except for claims for disease Level IX (mesothelioma), all claims alleging take-home exposure shall be submitted as an exceptional medical claim under section 121(f)(g) for review by a Physicians Panel.

(4) WAIVER FOR WORKERS AND RESIDENTS OF LIBBY, MONTANA.—Because of the unique nature of the asbestos exposure related to the vermiculite mining and milling operations in Libby, Montana, the Administrator shall waive the exposure requirements under this subtitle for individuals who worked at the vermiculite mining and milling facility in Libby, Montana, or lived or worked within a 20-mile radius of Libby, Montana, for at least 12 consecutive months before December 31, 2004. Claimants under this section shall provide such supporting documentation as the Administrator shall require.

(5) EXPOSURE PRESUMPTIONS.—

(A) IN GENERAL.—The Administrator shall prescribe rules identifying specific industries, occupations within such industries, and time periods in which workers employed in those industries or occupations typically had substantial occupational exposure to asbestos as defined under section 121(a). Until 5 years
after the Administrator certifies that the Fund is paying claims at a reasonable rate, the industries, occupations and time periods identified by the Administrator shall at a minimum include those identified in the 2002 Trust Distribution Process of the Manville Personal Injury Settlement Trust as of January 1, 2005, as industries, occupations and time periods in which workers were presumed to have had significant occupational exposure to asbestos. Thereafter, the Administrator may by rule modify or eliminate those exposure presumptions required to be adopted from the Manville Personal Injury Settlement Trust, if there is evidence that demonstrates that the typical exposure for workers in such industries and occupations during such time periods did not constitute substantial occupational exposure in asbestos.

(B) CLAIMANTS ENTITLED TO PRESUMPTIONS.—Any claimant who demonstrates through meaningful and credible evidence that such claimant was employed during relevant time periods in industries or occupations identified under subparagraph (A) shall be entitled to a presumption that the claimant had substan-
tial occupational exposure to asbestos during those time periods. That presumption shall not be conclusive, and the Administrator may find that the claimant does not have substantial occupational exposure if other information demonstrates that the claimant did not in fact have substantial occupational exposure during any part of the relevant time periods.

(C) CRITERIA REQUIREMENTS.—Nothing in subparagraphs (A) or (B) shall negate the exposure or medical criteria requirements in section 121, for the purpose of receiving compensation from the Fund.

(6) PENALTY FOR FALSE STATEMENT.—Any false information submitted under this subsection shall be subject to section 1348 of title 18, United States Code (as added by this Act).

(d) ASBESTOS DISEASE LEVELS.—

(1) NONMALIGNANT LEVEL I.—To receive Level I compensation, a claimant shall provide—

(A) a diagnosis of bilateral asbestos-related nonmalignant disease; and

(B) evidence of 5 years cumulative occupational exposure to asbestos.
(2) **NONMALIGNANT LEVEL II.**—To receive Level II compensation, a claimant shall provide—

(A) a diagnosis of bilateral asbestos-related nonmalignant disease with ILO grade of 1/1 or greater, and showing small irregular opacities of shape or size, either ss, st, or tt, and present in both lower lung zones, or asbestosis determined by pathology, or blunting of either costophrenic angle and bilateral pleural plaque or bilateral pleural thickening of at least grade B2 or greater, or bilateral pleural disease of grade B2 or greater;

(B) evidence of TLC less than 80 percent or FVC less than the lower limits of normal, and FEV1/FVC ratio less than 65 percent;

(C) evidence of 5 or more weighted years of substantial occupational exposure to asbestos; and

(D) supporting medical documentation, such as a written opinion by the examining or diagnosing physician, according to the diagnostic guidelines in section 121(b)(2), establishing asbestos exposure as a substantial contributing factor in causing the pulmonary condition in question.
(3) **NONMALIGNANT LEVEL III.**—To receive Level III compensation a claimant shall provide—

(A) a diagnosis of bilateral asbestos-related nonmalignant disease with ILO grade of 1/0 or greater and showing small irregular opacities of shape or size, either ss, st, or tt, and present in both lower lung zones, or asbestosis determined by pathology, or diffuse pleural thickening, or bilateral pleural disease of B2 or greater;

(B) evidence of TLC less than 80 percent, FVC less than the lower limits of normal and FEV1/FVC ratio greater than or equal to 65 percent, or evidence of a decline in FVC of 20 percent or greater, after allowing for the expected decrease due to aging, and an FEV1/FVC ratio greater than or equal to 65 percent documented with a second spirometry;

(C) evidence of 5 or more weighted years of substantial occupational exposure to asbestos; and

(D) supporting medical documentation, such as a written opinion by the examining or diagnosing physician, according to the diagnostic guidelines in section 121(b)(2)—
(i) establishing asbestos exposure as a substantial contributing factor in causing the pulmonary condition in question; and

(ii) excluding other more likely causes of that pulmonary condition.

(4) NONMALIGNANT LEVEL IV.—To receive Level IV compensation a claimant shall provide—

(A) diagnosis of bilateral asbestos-related nonmalignant disease with ILO grade of 1/1 or greater and showing small irregular opacities of shape or size, either ss, st, or tt, and present in both lower lung zones, or asbestosis determined by pathology, or diffuse pleural thickening, or bilateral pleural disease of B2 or greater;

(B) REFERRAL TO PHYSICIANS PANEL.—
All claims filed with respect to Level VI under this paragraph shall be referred to a Physicians Panel for a determination that it is more probable than not that asbestos exposure was a substantial contributing factor in causing the other cancer in question. If the claimant meets the requirements of subparagraph (A), there shall be a presumption of eligibility for the scheduled value of compensation unless there is evidence determined by the Physicians Panel that rebuts that presumption. In making its determination under this subparagraph, the Physicians Panel shall consider the intensity and duration of exposure, smoking history, and the quality of evidence relating to exposure and smoking. Claimants shall bear the burden of producing mean-

(B) PHYSICIANS PANEL.—A claimant filing a claim relating to Level VII under this paragraph may request that the claim be referred to a Physicians Panel for a determination of whether the claimant qualifies for the disease category and relevant smoking status. In making its determination under this subparagraph, the Physicians Panel shall consider the intensity and duration of exposure, smoking history, and the quality of evidence relating to exposure and smoking. Claimants shall bear the burden of producing meaningful and credible evidence of their smoking history as part of their claim submission.

The Institute of Medicine shall issue a report on its findings on causation, which shall be transmitted to Congress, the Administrator, the Advisory Committee on Asbestos Disease Compensation or the Medical Advisory Committee, and the Physicians Panels. The Institute of Medicine report shall be binding on the Administrator and the Physicians Panels for purposes of determining whether asbestos exposure is a substantial contributing factor under section 121(d)(6)(B) in causing the other cancerous disease in question under subsection (d)(6). If asbestos is not a substantial contributing factor to the particular cancerous disease under subsection (d)(6), subsection (d)(6) shall not apply with respect to that disease and no claim may be filed with, or award paid from, the Fund with respect to that disease under malignant Level VI.

(f) INSTITUTE OF MEDICINE STUDY ON CT SCANS.—
(1) IN GENERAL.—Not later than April 1, 2006, the Institute of Medicine of the National Academy of Sciences shall complete a study contracted with the National Institutes of Health of the use of CT scans as a diagnostic tool for bilateral pleural plaques, bilateral pleural thickening, or bilateral pleural calcification.

(2) FINDINGS.—The Institute of Medicine shall make and issue findings based on the study required under paragraph (1) on whether—

(A) CT scans are generally accepted in the medical profession to detect bilateral pleural plaques, bilateral pleural thickening, or bilateral pleural calcification; and

(B) professional standards of practice exist to allow for the Administrator’s reasonable reliance on such as evidence of bilateral pleural plaques, bilateral pleural thickening, or bilateral pleural calcification under the Fund.

(3) REPORT.—The Institute of Medicine shall issue a report on the findings required under paragraph (2), which shall be transmitted to Congress, the Administrator, the Advisory Committee on Asbestos Disease Compensation or the Medical Advisory Committee, and the Physicians Panels.
(4) REPORT BINDING ON THE ADMINISTRATOR.—

(f)(g) EXCEPTIONAL MEDICAL CLAIMS.—

(1) IN GENERAL.—A claimant who does not meet the medical criteria requirements under this section may apply for designation of the claim as an exceptional medical claim.

(2) APPLICATION.—When submitting an application for review of an exceptional medical claim, the claimant shall—

(A) state that the claim does not meet the medical criteria requirements under this section; or

(B) seek designation as an exceptional medical claim within 60 days after a determination that the claim is ineligible solely for failure to meet the medical criteria requirements under subsection (d).

(3) REPORT OF PHYSICIAN.—

(A) IN GENERAL.—Any claimant applying for designation of a claim as an exceptional
medical claim shall support an application filed under paragraph (1) with a report from a phy-

graph (4)(B).

(4) REVIEW.—

(A) IN GENERAL.—The Administrator shall refer all applications and supporting docu-
mentation submitted under paragraph (2) to a Physicians Panel for review for eligibility as an exceptional medical claim.

(B) STANDARD.—A claim shall be des-
ignated as an exceptional medical claim if the claimant, for reasons beyond the control of the claimant, cannot satisfy the requirements under this section, but is able, through comparably re-
liable evidence that meets the standards under this section, to show that the claimant has an asbestos-related condition that is substantially comparable to that of a medical condition that would satisfy the requirements of a category under this section.

(C) Additional information.—A Physicians Panel may request additional reasonable testing to support the claimant’s application.

(D) CT scan.—A claimant may submit a CT Scan in addition to an x-ray.

(5) Approval.—

(A) In general.—If the Physicians Panel determines that the medical evidence is sufficient to show a comparable asbestos-related condition, it shall issue a certificate of medical eligibility designating the category of asbestos-related injury under this section for which the claimant shall be eligible to seek compensation.

(B) Referral.—Upon the issuance of a certificate under subparagraph (A), the Physicians Panel shall submit the claim to the Administrator, who shall give due consideration to the recommendation of the Physicians Panel in
determining whether the claimant meets the requirements for compensation under this Act.

(6) **RESUBMISSION.**—Any claimant whose application for designation as an exceptional medical claim is rejected may resubmit an application if new evidence becomes available. The application shall identify any prior applications and state the new evidence that forms the basis of the resubmission.

(7) **RULES.**—The Administrator shall promulgate rules governing the procedures for seeking designation of a claim as an exceptional medical claim.

(8) **LIBBY, MONTANA.**—

(A) **IN GENERAL.**—A Libby, Montana, claimant may elect to have the claimant’s claims designated as exceptional medical claims and referred to a Physicians Panel for review. In reviewing the medical evidence submitted by a Libby, Montana claimant in support of that claim, the Physicians Panel shall take into consideration the unique and serious nature of asbestos exposure in Libby, Montana, including the nature of the pleural disease related to asbestos exposure in Libby, Montana.

(B) **CLAIMS.**—For all claims for Levels II through IV filed by Libby, Montana claimants,
as described under subsection (c)(4), once the Administrator or the Physicians Panel issues a certificate of medical eligibility to a Libby, Montana claimant, and notwithstanding the disease category designated in the certificate or the eligible disease or condition established in accordance with this section, or the value of the award determined in accordance with section 114, the Libby, Montana claimant shall be entitled to an award that is not less than that awarded to claimants who suffer from asbestosis, Level IV. For all malignant claims filed by Libby, Montana claimants, the Libby, Montana claimant shall be entitled to an award that corresponds to the malignant disease category designated by the Administrator or the Physicians Panel.

(C) EVALUATION OF CLAIMS.—For purposes of evaluating exceptional medical claims from Libby, Montana, a claimant shall be deemed to have a comparable asbestos-related condition to an asbestos disease category Level IV, and shall be deemed to qualify for compensation at Level IV, if the claimant provides—
(i) a diagnosis of bilateral asbestos related nonmalignant disease;

(ii) evidence of TLC or FVC less than 80 percent; and

(iii) supporting medical documentation establishing asbestos exposure as a substantial contributing factor in causing the pulmonary condition in question, and excluding more likely causes of that pulmonary condition.

(9) Study of Vermiculite Processing Facilities.—

(A) In General.—As part of the ongoing National Asbestos Exposure Review (in this section referred to as “NAER”) being conducted by the Agency for Toxic Substances and Disease Registry (in this section referred to as “ATSDR”) of facilities that received vermiculite ore from Libby, Montana, the ATSDR shall conduct a study of all Phase 1 sites where—

(i) the Environmental Protection Agency has mandated further action at the site on the basis of current contamination; or
(ii) the site was an exfoliation facility that processed roughly 100,000 tons or more of vermiculite from the Libby mine.

(B) STUDY BY ATSDR.—The study by the ATSDR shall evaluate the facilities identified under subparagraph (A) and compare—

(i) the levels of asbestos emissions from such facilities;

(ii) the resulting asbestos contamination in areas surrounding such facilities;

(iii) the levels of exposure to residents living in the vicinity of such facilities;

(iv) the risks of asbestos-related disease to the residents living in the vicinity of such facilities; and

(v) the risk of asbestos-related mortality to residents living in the vicinity of such facilities,
to the emissions, contamination, exposures, and risks resulting from the mining of vermiculite ore in Libby, Montana.

(C) RESULTS OF STUDY.—The results of the study required under this paragraph shall be transmitted to the Administrator. If the ATSDR finds as a result of such study that, for any par-
ticular facility, the levels of emissions from, the
resulting contamination caused by, the levels of
exposure to nearby residents from, and the risks
of asbestos-related disease and asbestos-related
mortality to nearby residents from such facility
are substantially equivalent to those of Libby,
Montana, then the Administrator shall treat
claims from residents surrounding such facilities
the same as claims of residents of Libby, Mont-
tana, and such residents shall have all the rights
of residents of Libby, Montana, under this Act.
As part of the results of its study, the ATSDR
shall prescribe for any such facility the relevant
geographic and temporal criteria under which
the exposures and risks to the surrounding resi-
dents are substantially equivalent to those of
residents of Libby, Montana, and therefore qual-
ify for treatment under this paragraph.

(10) NATURALLY OCCURRING ASBESTOS.—A
claimant who has been exposed to naturally occurring
asbestos may file an exceptional medical claim with
the Fund.

(h) GUIDELINES FOR CT SCANS.—The Administrator

American College of Chest Physicians, and Institute of Medicine, guidelines and a methodology for the use of CT scans as a diagnostic tool for bilateral pleural plaques, bilateral pleural thickening, or bilateral pleural calcification under the Fund. After development, such guidelines and methodology shall be used for diagnostic purposes under the Fund.

shall submit to the Administrator a joint
proposal for regulations describing the eli-
gibility for and amount of special adjust-
ments under this paragraph. If a joint pro-
posal is submitted, the Administrator shall
promulgate regulations that reflect the
joint proposal.

(iii) ABSENCE OF JOINT PROPOSAL.—
If railroad management and railroad labor
are unable to agree on a joint proposal
within 45 days after the date of enactment
of this Act, the benefits prescribed in sub-
paragraph (E) shall be the benefits avail-
able to claimants, and the Administrator
shall promulgate regulations containing
such benefits.

(iv) REVIEW.—The parties particip-
ing in the arbitration may file in the
United States District Court for the Dis-

by asbestos, as described in section 121(d)
of this Act, would have received, during
the 5-year period before the enactment of
this Act, adjusted for inflation. This ad-
justment shall be in addition to any other
award for which the claimant is eligible
under this Act. The amount of the special
adjustment shall be reduced by an amount

the date of enactment of this Act, the Adminis-

the benefits under subparagraph (D). The Ad-
ministrator shall appoint an arbitrator who
shall be acceptable to both railroad manage-
ment and railroad labor. Railroad management and railroad labor shall each designate their representatives to participate in the arbitration. The arbitrator shall submit the benefits levels to the Administrator not later than 30 days after appointment and such benefits levels shall be based on information provided by rail labor and rail management. The information submitted to the arbitrator by railroad management and railroad labor shall be considered confidential and shall be disclosed to the other party upon execution of an appropriate confidentiality agreement. Unless the submitting party provides written consent, neither the arbitrator nor either party to the arbitration shall divulge to any third party any information or data, in any form, submitted to the arbitrator under this section. Nor shall either party use such information or data for any purpose other than participation in the arbitration proceeding, and each party shall return to the other any information it has received from the other party as soon the arbitration is concluded. Information submitted to the arbitrator may not be admitted into evidence, nor discovered, in any civil

The consumer price index series to be used for award escalations shall include the consumer price index used for all-urban consumers, with an area coverage of the United States city average, for all items, based on the 1982–1984 index based period, as published by the Department of Labor.

SEC. 132. MEDICAL MONITORING.

(1) the reasonable costs for medical monitoring
that is reimbursable; and
(2) the procedures applicable to asbestos claim-
ants.

SEC. 133. PAYMENT.

(a) STRUCTURED PAYMENTS.—

(1) IN GENERAL.—An asbestos claimant who is

Fund, made over a period of 3 years, and in no
event more than 4 years after the date of final adju-
dication of the claim.

2; and

(C) 30 percent of the total amount in year

(i) not later than 6 months after the date the claim is approved by the Administrator; or

(ii) not later than 11 months after the date the claim is filed.

(1) IN GENERAL.—Defendant participants shall
be liable for payments to the Fund in accordance
with this section based on tiers and subtiers as-
signed to defendant participants.

(2) AGGREGATE PAYMENT OBLIGATIONS
LEVEL.—The total payments required of all defend-
ant participants over the life of the Fund shall not
exceed a sum equal to $90,000,000,000 less any
bankruptcy trust credits under section 222(e)(d).

The Administrator shall have the authority to allo-
cate the payments required of the defendant partici-
pants among the tiers as provided in this title.

(3) ABILITY TO ENTER REORGANIZATION.—
Notwithstanding any other provision of this Act, all
debtors that, together with all of their direct or indi-
rect majority-owned subsidiaries, have prior asbestos
expenditures less than $1,000,000 may proceed with
the filing, solicitation, and confirmation of a plan of
reorganization that does not comply with the re-
quirements of this Act, including a trust and chan-
neling injunction under section 524(g) of title 11,
United States Code. Any asbestos claim made in
conjunction with a plan of reorganization allowable
under the preceding sentence shall be subject to sec-
tion 403(d) of this Act.

(b) Tier I.—Tier I shall include all debtors that, to-
gether with all of their direct or indirect majority-owned
subsidiaries, have prior asbestos expenditures greater than
$1,000,000.

(c) Treatment of Tier I Business Entities in
Bankruptcy.—

(1) Definition.—

(A) In general.—In this subsection, the
term “bankrupt business entity” means a per-
son that is not a natural person that—

(i) filed a petition for relief under
chapter 11, of title 11, United States
Code, before January 1, 2003;

(ii) has not substantially con-
summated, as such term is defined under
section 1101(2) of title 11, United States
Code, a plan of reorganization as of the
date of enactment of this Act; and

(iii) the bankruptcy court presiding
over the business entity’s case determines,
after notice and a hearing upon motion
filed by the entity within 30 days after the
date of enactment of this Act, that asbes-
tos liability was not the sole or precipi-
tating cause of the entity’s chapter 11 fil-
ing.

(B) MOTION AND RELATED MATTERS.—A
motion under subparagraph (A)(iii) shall be
supported by—

(i) an affidavit or declaration of the
chief executive officer, chief financial offi-
cer, or chief legal officer of the business
entity; and

(ii) copies of the entity’s public state-
ments and securities filings made in con-
nection with the entity’s filing for chapter
11 protection.

Notice of such motion shall be as directed by
the bankruptcy court, and the hearing shall be
limited to consideration of the question of
whether or not asbestos liability was the sole or
precipitating cause of the entity’s chapter 11 filing. The bankruptcy court shall hold a hearing and make its determination with respect to the motion within 60 days after the date the motion is filed. In making its determination, the bankruptcy court shall take into account the affidavits, public statements, and securities filings, and other information, if any, submitted by the entity and all other facts and circumstances presented by an objecting party. Any review of this determination shall be an expedited appeal and limited to whether the decision was against the weight of the evidence. Any appeal of a determination shall be an expedited review to the United States Circuit Court of Appeals for the circuit in which the bankruptcy is filed.

(2) PROCEEDING WITH REORGANIZATION PLAN.—A bankrupt business entity may proceed with the filing, solicitation, confirmation, and consummation of a plan of reorganization that does not comply with the requirements of this Act, including a trust and channeling injunction described in section 524(g) of title 11, United States Code, notwithstanding any other provisions of this Act, if the
bankruptcy court makes a favorable determination under paragraph (1)(B), unless the bankruptcy court’s determination is overruled on appeal and all appeals are final. Such a bankrupt business entity may continue to so proceed, if—

(A) on request of a party in interest or on a motion of the court, and after a notice and a hearing, the bankruptcy court presiding over the chapter 11 case of the bankrupt business entity determines that—

(i) confirmation is necessary to permit the reorganization of that entity and assure that all creditors and that entity are treated fairly and equitably; and

(ii) confirmation is clearly favored by the balance of the equities; and

such confirmation is required to avoid the liquidation or the need for further financial reorganization of that entity; and

(B) an order confirming the plan of reorganization is entered by the bankruptcy court within 9 months after the date of enactment of this Act or such longer period of time approved by the bankruptcy court for cause shown.
(3) APPLICABILITY.—If the bankruptcy court does not make the determination required under paragraph (2), or if an order confirming the plan is not entered within 9 months after the date of enactment of this Act or such longer period of time approved by the bankruptcy court for cause shown, the provisions of this Act shall apply to the bankrupt business entity notwithstanding the certification. Any timely appeal under title 11, United States Code, from a confirmation order entered during the applicable time period shall automatically extend the time during which this Act is inapplicable to the bankrupt business entity, until the appeal is fully and finally resolved.

(4) OFFSETS.—

(A) PAYMENTS BY INSURERS.—To the extent that a bankrupt business entity or debtor successfully confirms a plan of reorganization, including a trust, and channeling injunction that involves payments by insurers who are otherwise subject to this Act as described under section 524(g) of title 11, United States Code, an insurer who makes payments to the trust shall obtain a dollar-for-dollar reduction in the
amount otherwise payable by that insurer under this Act to the Fund.

(B) CONTRIBUTIONS TO FUND.—Any cash payments by a bankrupt business entity, if any, to a trust described under section 524(g) of title 11, United States Code, may be counted as a contribution to the Fund.

e) TIER PLACEMENT AND COSTS.—

(1) PERMANENT TIER PLACEMENT.—After a defendant participant or affiliated group is assigned to a tier and subtier under section 204(i)(6), the
participant or affiliated group shall remain in that
tier and subtier throughout the life of the Fund, re-

(A) the filing of a petition under a chapter
of title 11, United States Code;

(B) a discharge of debt in bankruptcy;

(C) the confirmation of a plan of reorga-

other person or affiliated group, unless the Ad-

mitted by the participant or affiliated group to
support its inclusion in that tier was inaccurate.

(2) COSTS.—Payments to the Fund by all per-
sons that are the subject of a case under a chapter
of title 11, United States Code, after the date of en-
actment of this Act—

(A) shall constitute costs and expenses of

title 11, United States Code, and shall be pay-
able in accordance with the payment provisions
under this subtitle notwithstanding the pend-
ency of the case under that title 11;

plan of reorganization under chapter 11 of title 11, United States Code.

(2) PRIOR AGREEMENTS OF NO EFFECT.—Notwithstanding section 403(c)(3), any plan of reorganization, agreement, understanding, or undertaking by any debtor (including any pre-petition agreement, understanding, or undertaking that requires future performance) or any third party under paragraph (1), and any agreement, understanding, or undertaking entered into in anticipation, contemplation, or furtherance of a plan of reorganization, to the extent it relates to any asbestos claim, shall be of no force or effect, and no person shall have any right or claim with respect to any such agreement, understanding, or undertaking.

If a debtor or affiliated group includes a person in respect of whose liabilities for asbestos claims a class action trust has been established, there shall be excluded from the 2002 revenues of such debtor or affiliated group—

(i) all revenues of the person in respect of whose liabilities for asbestos claims the class action trust was established; and

(C) OTHER ASSETS.—The Administrator, at the sole discretion of the Administrator, may allow a Subtier 1 debtor to satisfy its funding obligation under this paragraph with assets other than cash if the Administrator determines that requiring an all-cash payment of the debtor’s funding obligation would render the debtor’s reorganization infeasible.

(D) LIABILITY.—

(i) IN GENERAL.—If a person who is subject to a case pending under a chapter of title 11, United States Code, as defined in section 201(3)(A)(i), does not pay when due any payment obligation for the debtor, the Administrator shall have the right to seek payment of all or any portion of the entire amount due (as well as any other amount for which the debtor may be liable under sections 223 and 224) from any of

SEC. 204. ASSESSMENT ADMINISTRATION.

(a) IN GENERAL.—Each defendant participant or affiliated group shall pay to the Fund in the amounts provided under this subtitle as appropriate for its tier and subtier each year until the earlier to occur of the following:

(1) The participant or affiliated group has satisfied its obligations under this subtitle during the 30 annual payment cycles of the operation of the Fund.

(2) The amount received by the Fund from defendant participants, excluding any amounts rebated to defendant participants under subsection (d) subsections (d) and (m), equals the maximum aggregate payment obligation of section 202(a)(2).

(b) SMALL BUSINESS EXEMPTION.—Notwithstanding any other provision of this subtitle, a person or affiliated group that is a small business concern (as defined under section 3 of the Small Business Act (15 U.S.C. 632)), on December 31, 2002, is exempt from any payment requirement under this subtitle and shall not be included in the subtier allocations under section 203.

(c) PROCEDURES.—The Administrator shall prescribe procedures on how amounts payable under this sub-
(d) ADJUSTMENTS.—

(1) IN GENERAL.—Under expedited procedures established by the Administrator, a defendant participant may seek adjustment of the amount of its payment obligation based on severe financial hardship or demonstrated inequity. The Administrator may determine whether to grant an adjustment and the size of any such adjustment, in accordance with this subsection. A defendant participant has a right to obtain a rehearing of the Administrator’s determination under this subsection under the procedures prescribed in subsection (i)(10). The Administrator may adjust a defendant participant’s payment obligations under this subsection, either by forgiving the relevant portion of the otherwise applicable payment obligation or by providing relevant rebates from the defendant hardship and inequity adjustment account created under subsection (j) after payment of the otherwise applicable payment obligation, at the discretion of the Administrator.

(2) FINANCIAL HARDSHIP ADJUSTMENTS.—
(A) IN GENERAL.—A defendant participant may apply for an adjustment based on financial hardship at any time during the period in which a payment obligation to the Fund remains outstanding and may qualify for such adjustment by demonstrating that the amount of its payment obligation under the statutory allocation would constitute a severe financial hardship.

(B) TERM.—Subject to the annual availability of funds in the defendant hardship and inequity adjustment account established under subsection (j), a financial hardship adjustment under this subsection shall have a term of 3 years.

(C) RENEWAL.—After an initial hardship adjustment is granted under this paragraph, a defendant participant may renew its hardship adjustment by demonstrating that it remains justified.

(D) REINSTATEMENT.—Following the expiration of the hardship adjustment period provided for under this section and during the funding period prescribed under subsection (a), the Administrator shall annually determine
whether there has been a material change in the financial condition of the defendant participant such that the Administrator may, consistent with the policies and legislative intent underlying this Act, reinstate under terms and conditions established by the Administrator any part or all of the defendant participant’s payment obligation under the statutory allocation that was not paid during the hardship adjustment term.

(3) INEQUITY ADJUSTMENTS.—

(A) IN GENERAL.—A defendant participant—

(i) may qualify for an adjustment based on inequity by demonstrating that the amount of its payment obligation under the statutory allocation is exceptionally inequitable—

(I) when measured against the amount of the likely cost to the defendant participant net of insurance of its future liability in the tort system in the absence of the Fund;
(II) when compared to the median payment rate for all defendant participants in the same tier; or

(III) when measured against the percentage of the prior asbestos expenditures of the defendant that were incurred with respect to claims that neither resulted in an adverse judgment against the defendant, nor were the subject of a settlement that required a payment to a plaintiff by or on behalf of that defendant;

(ii) shall qualify for a two-tier main tier and a two-tier subtier adjustment reducing the defendant participant’s payment obligation based on inequity by demonstrating that not less than 95 percent of such person’s prior asbestos expenditures arose from claims related to the manufacture and sale of railroad locomotives and related products, so long as such person’s manufacture and sale of railroad locomotives and related products is temporally and causally remote, and for purposes of this clause, a person’s manufacture and
sale of railroad locomotives and related products shall be deemed to be temporally and causally remote if the asbestos claims historically and generally filed against such person relate to the manufacture and sale of railroad locomotives and related products by an entity dissolved more than 25 years before the date of enactment of this Act; and

(iii) shall be granted a two-tier adjustment reducing the defendant participant’s payment obligation based on inequity by demonstrating that not less than 95 percent of such participant’s prior asbestos expenditures arose from asbestos claims based on successor liability arising from a merger to which the participant or its predecessor was a party that occurred at least 30 years before the date of enactment of this Act, and that such prior asbestos expenditures exceed the inflation-adjusted value of the assets of the company from which such liability was derived in such merger, and upon such demonstration the Administrator shall grant such adjustment
for the life of the Fund and amounts paid
by such defendant participant prior to such
adjustment in excess of its adjusted pay-
ment obligation under this clause shall be
credited against next succeeding required
payment obligations.

(B) Payment rate.—For purposes of
subparagraph (A), the payment rate of a de-
fendant participant is the payment amount of
the defendant participant as a percentage of
such defendant participant’s gross revenues for
the year ending December 31, 2002.

(C) Term.—Subject to the annual avail-
ability of funds in the defendant hardship and
inequity adjustment account established under
subsection (j), an inequity adjustment under
this subsection shall have a term of 3 years.

(D) Renewal.—A defendant participant
may renew an inequity adjustment every 3
years by demonstrating that the adjustment re-
 mains justified.

(E) Reinstatement.—

(i) In general.—Following the ter-
mination of an inequity adjustment under
subparagraph (A), and during the funding
period prescribed under subsection (a), the
Administrator shall annually determine
whether there has been a material change
in conditions which would support a find-
ing that the amount of the defendant par-
ticipant’s payment under the statutory al-
location was not inequitable. Based on this
determination, the Administrator may,
consistent with the policies and legislative
intent underlying this Act, reinstate any or
all of the payment obligations of the de-
fendant participant as if the inequity ad-
justment had not been granted for that 3-
year period.

(ii) Terms and Conditions.—In the
event of a reinstatement under clause (i),
the Administrator may require the defend-
ant participant to pay any part or all of
amounts not paid due to the inequity ad-
justment on such terms and conditions as
established by the Administrator.

(4) Limitation on Adjustments.—The ag-
gregate total of financial hardship adjustments
under paragraph (2) and inequity adjustments under
paragraph (3) in effect in any given year shall not exceed $300,000,000, except to the extent that—

(A) additional monies are available for such adjustments as a result of carryover of prior years’ funds under subsection (j)(3) or as a result of monies being made available in that year under subsection (k)(1)(A); or

(B) the Administrator determines that the $300,000,000 is insufficient and additional adjustments as provided under paragraph (5) are needed to address situations in which a defendant participant would otherwise be rendered insolvent by its payment obligations without such adjustment.

(5) BANKRUPTCY RELIEF.—

(A) IN GENERAL.—Any defendant participant may apply for an adjustment under this paragraph at any time during the period in which a payment obligation to the Fund remains outstanding and may qualify for such adjustment by demonstrating, to a reasonable degree of certainty, evidence that the amount of its payment obligation would render the defendant participant insolvent, as defined under section 101
of title 11, United States Code, and unable to pay its debts as they become due.

(B) INFORMATION REQUIRED.—Any defendant participant seeking an adjustment or renewal of an adjustment under this paragraph shall provide the Administrator with the information required under section 521(1) of title 11 of the United States Code.

(C) LIMITATION.—Any adjustment granted by the Administrator under subparagraph (A) shall be limited to the extent reasonably necessary to prevent insolvency of a defendant participant.

(D) TERM.—To the extent the Administrator grants any relief under this paragraph, such adjustments shall have a term of 1 year. An adjustment may be renewed or modified on an annual basis upon the defendant participant demonstrating that the adjustment or modification remains justified under this paragraph.

(E) REINSTATEMENT.—During the funding period prescribed under subparagraph (A), the Administrator shall annually determine whether there has been a material change in the financial condition of any defendant participant granted
an adjustment under this paragraph such that
the Administrator may, consistent with the poli-
cies and legislative intent underlying this Act,
reinstate under terms and conditions established
by the Administrator any part or all of the de-
fendant participant’s payment obligation under
the statutory allocation that was not paid dur-
ing the adjustment term.

(5) (6) ADVISORY PANELS.—

(A) APPOINTMENT.—The Administrator
shall appoint a Financial Hardship Adjustment
Panel and an Inequity Adjustment Panel to ad-
vise the Administrator in carrying out this sub-
section.

(B) MEMBERSHIP.—The membership of
the panels appointed under subparagraph (A)
may overlap.

(C) COORDINATION.—The panels ap-
pointed under subparagraph (A) shall coordi-
nate their deliberations and advice.

(e) LIMITATION ON LIABILITY.—The liability of each
defendant participant to pay to the Fund shall be limited
to the payment obligations under this Act, and, except as
provided in subsection (f) and section 203(b)(2)(D), no
defendant participant shall have any liability for the pay-
ment obligations of any other defendant participant.

(f) CONSOLIDATION OF PAYMENTS.—

(1) IN GENERAL.—For purposes of determining
the payment levels of defendant participants, any af-
filiated group including 1 or more defendant partici-
pants may irrevocably elect, as part of the submis-
sions to be made under paragraphs (1) and (3) of
subsection (i), to report on a consolidated basis all
of the information necessary to determine the pay-
ment level under this subtitle and pay to the Fund
on a consolidated basis.

(2) ELECTION.—If an affiliated group elects
consolidation as provided in this subsection—

(A) for purposes of this Act other than
this subsection, the affiliated group shall be	
 treated as if it were a single participant, includ-
ing with respect to the assessment of a single
annual payment under this subtitle for the en-
tire affiliated group;

(B) the ultimate parent of the affiliated
group shall prepare and submit each submission
to be made under subsection (i) on behalf of the
total affiliated group and shall be solely liable,
as between the Administrator and the affiliated
group only, for the payment of the annual amount due from the affiliated group under this subtitle, except that, if the ultimate parent does not pay when due any payment obligation for the affiliated group, the Administrator shall have the right to seek payment of all or any portion of the entire amount due (as well as any other amount for which the affiliated group may be liable under sections 223 and 224) from any member of the affiliated group;

(C) all members of the affiliated group shall be identified in the submission under subsection (i) and shall certify compliance with this subsection and the Administrator’s regulations implementing this subsection; and

(D) the obligations under this subtitle shall not change even if, after the date of enactment of this Act, the beneficial ownership interest between any members of the affiliated group shall change.

(3) Cause of Action.—Notwithstanding section 221(e), this Act shall not preclude actions among persons within an affiliated group with respect to the payment obligations under this Act.
(g) Determination of Prior Asbestos Expenditures.—

(1) In General.—For purposes of determining a defendant participant’s prior asbestos expenditures, the Administrator shall prescribe such rules as may be necessary or appropriate to assure that payments by indemnitors before December 31, 2002, shall be counted as part of the indemnitor’s prior asbestos expenditures, rather than the indemnitee’s prior asbestos expenditures, in accordance with this subsection.

(2) Indemnifiable Costs.—If an indemnitor has paid or reimbursed to an indemnitee any indemnifiable cost or otherwise made a payment on behalf of or for the benefit of an indemnitee to a third party for an indemnifiable cost before December 31, 2002, the amount of such indemnifiable cost shall be solely for the account of the indemnitor for purposes under this Act.

(3) Insurance Payments.—When computing the prior asbestos expenditures with respect to an asbestos claim, any amount paid or reimbursed by insurance shall be solely for the account of the indemnitor, even if the indemnitor would have no direct right to the benefit of the insurance, if—
(A) such insurance has been paid or reimbursed to the indemnitor or the indemnitee, or paid on behalf of or for the benefit of the indemnitee; and

(B) the indemnitor has either, with respect to such asbestos claim or any similar asbestos claim, paid or reimbursed to its indemnitee any indemnifiable cost or paid to any third party on behalf of or for the benefit of the indemnitee any indemnifiable cost.

(4) Treatment of Certain Expenditures.—Notwithstanding any other provision of this Act, where—

(A) an indemnitor entered into a stock purchase agreement in 1988 that involved the sale of the stock of businesses that produced friction and other products; and

(B) the stock purchase agreement provided that the indemnitor indemnified the indemnitee and its affiliates for losses arising from various matters, including asbestos claims—

(i) asserted before the date of the agreement; and
(ii) filed after the date of the agree-
ment and prior to the 10-year anniversary
of the stock sale,
then the prior asbestos expenditures arising from the
asbestos claims described in clauses (i) and (ii) shall
not be for the account of either the indemnitor or
indemnitee.

(h) Minimum Annual Payments.—

(1) In general.—The aggregate annual pay-
ments of defendant participants to the Fund shall be
at least $3,000,000,000 for each calendar year in
the first 30 years of the Fund, or until such shorter
time as the condition set forth in subsection (a)(2)
is attained.

(2) Guaranteed payment account.—To the
extent payments in accordance with sections 202
and 203 (as modified by subsections (b), (d), (f) and
(g) of this section) (as modified by subsections (b),
(d), (f), (g), and (m) of this section) fail in any year
to raise at least $3,000,000,000 net of any adjust-
ments under subsection (d), after applicable reduc-
tions or adjustments have been taken according to
subsections (d) and (m), the balance needed to meet
this required minimum aggregate annual payment

S 852 RS
shall be obtained from the defendant guaranteed payment account established under subsection (k).

(3) GUARANTEED PAYMENT SURCHARGE.—To the extent the procedure set forth in paragraph (2) is insufficient to satisfy the required minimum aggregate annual payment net of any adjustments under subsection (d), after applicable reductions or adjustments have been taken according to subsections (d) and (m), the Administrator may shall unless the Administrator implements a funding holiday under section 205(b), assess a guaranteed payment surcharge under subsection (l).

If the amount that the defendant participant is required to pay is less than any previous payment made by the participant under this subsection, the Administrator shall credit any excess payment against the future payment obligations of that defendant participant. transacts business.

(10) REHEARING.—A defendant participant has
a right to obtain rehearing of the Administrator’s
determination under this subsection of the applicable
tier or subtier and, of the Administrator’s deter-

tor’s determination under subsection (m) of a dis-
tributor’s adjustment, if the request for rehearing is
filed within 30 days after the defendant participant’s

termination. A defendant participant may not file an
action under section 303 unless the defendant par-
ticipant requests a rehearing under this paragraph.
The Administrator shall publish a notice in the Fed-
eral Register of any change in a defendant partici-
pant’s tier or subtier assignment or payment obliga-
tion as a result of a rehearing.

(j) DEFENDANT HARDSHIP AND INEQUITY ADJUST-

(B) if the condition set forth in subsection (a)(2) is met, for any purpose that the Fund may serve under this Act.

(l) GUARANTEED PAYMENT SURCHARGE.—

(1) IN GENERAL.—To the extent there are insufficient monies in the defendant guaranteed payment account established in subsection (k) to attain the minimum aggregate annual payment required under subsection (h) net of any adjustments under subsection (d) in any given year, the Administrator may shall, unless the Administrator implements a funding holiday under section 205(b), impose on each defendant participant a surcharge as necessary to raise the balance required to attain the minimum aggregate annual payment required under subsection (h) net of any adjustments under subsection (d) as provided in this subsection. Any such surcharge shall be imposed on a pro rata basis, in accordance with each defendant participant’s relative annual liability under sections 202 and 203 (as modified by subsections (b), (d), (f), and (g) of this section) (as modified by subsections (b), (d), (f), (g), and (m) of this section).
(2) LIMITATION.—

(A) IN GENERAL.—In no case shall the Administrator impose a surcharge under this subsection on any defendant participant included in Subtier 3 of Tiers V or VI as described under section 203.

(B) REALLOCATION.—Any amount not imposed under subparagraph (A) shall be reallocated on a pro-rata basis, in accordance with each defendant participant's (other than a defendant participant described under subparagraph (A)) relative annual liability under sections 202 and 203 (as modified by subsections (b), (d), (f), and (g) of this section).

(2) TIER REASSIGNMENT FOR DISTRIBUTORS.—

(A) IN GENERAL.—Notwithstanding section 202, the Administrator shall assign a distributor to a Tier for purposes of this title under the procedures set forth in this paragraph.

(B) DESIGNATION.—After a final determination by the Administrator under section 204(i), any person who is, or any affiliated group in which every member is, a distributor may apply to the Administrator for adjustment of its Tier assignment under this subsection.
Such application shall be prepared in accordance with such procedures as the Administrator shall promulgate by rule. Once the Administrator designates a person or affiliated group as a distributor under this subsection, such designation and the adjustment of tier assignment under this subsection are final.

(4) Rehearing.—A defendant participant has a right to obtain a rehearing of the Administrator’s determination on an adjustment under this subsection under the procedures prescribed in subsection (i)(10).
SEC. 205. STEPDOWNS AND FUNDING HOLIDAYS.

(a) STEPDOWNS.—

(1) IN GENERAL.—Subject to paragraph (2), the minimum aggregate annual funding obligation under section 204(h) shall be reduced by 10 percent of the initial minimum aggregate funding obligation at the end of the tenth, fifteenth, twentieth, and twenty-fifth years after the date of enactment of this Act. The reductions under this paragraph shall be applied on an equal pro rata basis to the funding obligations of all defendant participants, except with respect to defendant participants in Tier 1, Subtiers 2 and 3, and class action trusts.

(2) LIMITATION.—The Administrator shall suspend, cancel, reduce, or delay any reduction under paragraph (1) if at any time the Administrator finds, in accordance with subsection (c), that such action is necessary and appropriate to ensure that the assets of the Fund and expected future payments remain sufficient to satisfy the Fund’s anticipated obligations.

(b) FUNDING HOLIDAYS.—

(1) IN GENERAL.—If the Administrator determines, at any time after 10 years following the date of enactment of this Act, that the assets of the Fund at the time of such determination and expected fu-
ture payments, taking into consideration any reductions under subsection (a), are sufficient to satisfy the Fund’s anticipated obligations without the need for all, or any portion of, that year’s payment otherwise required under this subtitle, the Administrator shall reduce or waive all or any part of the payments required from defendant participants for that year.

(2) **Annual review.**—The Administrator shall undertake the review required by this subsection and make the necessary determination under paragraph (1) every year.

(3) **Limitations on funding holidays.**—Any reduction or waiver of the defendant participants’ funding obligations shall—

(A) be made only to the extent the Administrator determines that the Fund will still be able to satisfy all of its anticipated obligations; and

(B) be applied on an equal pro rata basis to the funding obligations of all defendant participants, except with respect to defendant participants in Subtiers 2 and 3 of Tier I and class action trusts, for that year.

(4) **New information.**—If at any time the Administrator determines that a reduction or waiver
under this section may cause the assets of the Fund
and expected future payments to decrease to a level
at which the Fund may not be able to satisfy all of
its anticipated obligations, the Administrator shall
revoke all or any part of such reduction or waiver
to the extent necessary to ensure that the Fund’s
obligations are met. Such revocations shall be ap-
plied on an equal pro rata basis to the funding obli-
gations of all defendant participants, except defend-
ant participants in Subtiers 2 and 3 of Tier I and
class action trusts, for that year.

(c) Certification.—

(1) In General.—Before suspending, can-
celing, reducing, or delaying any reduction under
subsection (a) or granting or revoking a reduction or
waiver under subsection (b), the Administrator shall
certify that the requirements of this section are sat-
ished.

(2) Notice and Comment.—Before making a
final certification under this subsection, the Admin-
istrator shall publish a notice in the Federal Reg-
ister of a proposed certification and a statement of
the basis therefor and provide in such notice for a
public comment period of 30 days.

(3) Final Certification.—
(A) IN GENERAL.—The Administrator shall publish a notice of the final certification in the Federal Register after consideration of all comments submitted under paragraph (2).

(B) WRITTEN NOTICE.—Not later than 30 days after publishing any final certification under subparagraph (A), the Administrator shall provide each defendant participant with written notice of that defendant’s funding obligation for that year.

SEC. 206. ACCOUNTING TREATMENT.

Defendant participants payment obligations to the Fund shall be subject to discounting under the applicable accounting guidelines for generally accepted accounting purposes and statutory accounting purposes for each defendant participant. This section shall in no way reduce the amount of monetary payments to the Fund by defendant participants as required under section 202(a)(2).

EC. 212. DUTIES OF ASBESTOS INSURERS COMMISSION.

(a) Determination of Insurer Payment Obliga-
tions.—

(1) In general.—
(A) Definitions.—For the purposes of this Act, the terms “insurer” and “insurer participant” shall, unless stated otherwise, include direct insurers and reinsurers, as well as any run-off entity established, in whole or in part, to review and pay asbestos claims.

(B) Procedures for Determining Insurer Payments.—The Commission shall determine the amount that each insurer participant shall be required to pay into the Fund under the procedures described in this section. The Commission shall make this determination by first promulgating a rule establishing a methodology for allocation of payments among insurer participants and then applying such methodology to determine the individual payment for each insurer participant. The methodology may include 1 or more allocation formulas to be applied to all insurer participants or groups of similarly situated participants. The Commission’s rule shall include a methodology for adjusting payments by insurer participants to make up, during any applicable payment year, any amount by which aggregate insurer payments fall below the level required in para-
graph (3)(C). to make up, during the first 5 years of the life of the Fund and any subsequent years as provided in section 405(e) for any reduction in an insurer participant’s annual allocated amount caused by the granting of a financial hardship or exceptional circumstance adjustment under this section, and any amount by which aggregate insurer payments fall below the level required under paragraph (3)(C) by reason of the failure or refusal of any insurer participant to make a required payment, or for any other reason that causes such payments to fall below the level required under paragraph (3)(C).

The Commission shall conduct a thorough study (within the time limitations under this subparagraph) of the accuracy of the reserve allocation of each insurer participant, and may request information from the Securities and Exchange Commission or any State regulatory agency. Under this procedure, not later than 120 days after the initial meeting of the Commission, the Commission shall commence a rulemaking proceeding under section 213(a) to propose and adopt a methodology for allocating payments among insurer participants. In proposing an al-
location methodology, the Commission may consult with such actuaries and other experts as it deems appropriate. After hearings and public comment on the proposed allocation methodology, the Commission shall as promptly as possible promulgate a final rule establishing such methodology. After promulgation of the final rule, the Commission shall determine the individual payment of each insurer participant under the procedures set forth in subsection (b).

(C) Scope.—Every insurer, reinsurer, and runoff entity with asbestos-related obligations in the United States shall be subject to the Commission’s and Administrator’s authority under this Act, including allocation determinations, and shall be required to fulfill its payment obligation without regard as to whether it is licensed in the United States. Every insurer participant not licensed or domiciled in the United States shall, upon the first payment to the Fund, submit a written consent to the Commission’s and Administrator’s authority under this Act, and to the jurisdiction of the courts of the United States for purposes of enforcing this
Act, in a form determined by the Administrator. Any insurer participant refusing to provide a written consent shall be subject to fines and penalties as provided in section 223.

(D) ISSUERS OF FINITE RISK POLICIES.—

(i) IN GENERAL.—The issuer of any policy of retrospective reinsurance purchased by an insurer participant or its affiliate after 1990 that provides for a risk or loss transfer to insure for incurred asbestos losses and other losses (both known and unknown), including those policies commonly referred to as “finite risk”, “aggregate stop loss”, “aggregate excess of loss”, or “loss portfolio transfer” policies, shall be obligated to make payments required under this Act directly to the Fund on behalf of the insurer participant who is the beneficiary of such policy, subject to the underlying retention and the limits of liability applicable to such policy.

(ii) PAYMENTS.—Payments to the Fund required under this Act shall be treated as loss payments for asbestos bodily injury (as if such payments were in-
curred as liabilities imposed in the tort
system) and shall not be subject to exclu-
sion under policies described under clause
(i) as a liability with respect to tax or as-
assessment. Within 90 days after the sched-
uled date to make an annual payment to
the Fund, the insurer participant shall, at
its discretion, direct the reinsurer issuing
such policy to pay all or a portion of the
annual payment directly to the Fund up to
the full applicable limits of liability under
the policy. The reinsurer issuing such pol-
icy shall be obligated to make such pay-
ments directly to the Fund and shall be
subject to the enforcement provisions
under section 223. The insurer participant
shall remain obligated to make payment to
the Fund of that portion of the annual
payment not directed to the issuer of such
reinsurance policy.

(2) AMOUNT OF PAYMENTS.—

(A) AGGREGATE PAYMENT OBLIGATION.—
The total payment required of all insurer par-
ticipants over the life of the Fund shall be
equal to $46,025,000,000, less any bankruptcy trust credits under section 222(d).

(B) Accounting Standards.—In determining the payment obligations of participants that are not licensed or domiciled in the United States or that are runoff entities, the Commission shall use accounting standards required for United States licensed direct insurers.

(C) Captive Insurance Companies.—No payment to the Fund shall be required from a captive insurance company, unless and only to the extent a captive insurance company, on the date of enactment of this Act, has liability, directly or indirectly, for any asbestos claim of a person or persons other than and unaffiliated with its ultimate parent or affiliated group or pool in which the ultimate parent participates or participated, or unaffiliated with a person that was its ultimate parent or a member of its affiliated group or pool at the time the relevant insurance or reinsurance was issued by the captive insurance company.

(D) Several Liability.—Unless otherwise provided under this Act, each insurer participant's obligation to make payments to the
Fund is several. Unless otherwise provided under this Act, there is no joint liability, and the future insolvency by any insurer participant shall not affect the payment required of any other insurer participant.

(3) Payment of criteria.—

(A) Inclusion in insurer participant category.—

(i) In general.—Insurers that have paid, or been assessed by a legal judgment or settlement, at least $1,000,000 in defense and indemnity costs before the date of enactment of this Act in response to claims for compensation for asbestos injuries arising from a policy of liability insurance or contract of liability reinsurance or retrocessional reinsurance shall be insurer participants in the Fund. Other insurers shall be exempt from mandatory payments.

(ii) Inapplicability of section 202.—Since insurers may be subject in certain jurisdictions to direct action suits, and it is not the intent of this Act to impose upon an insurer, due to its operation as an insurer, payment obligations to the Fund
in situations where the insurer is the subject of a direct action, no insurer subject to mandatory payments under this section shall also be liable for payments to the Fund as a defendant participant under section 202.

(B) INSURER PARTICIPANT ALLOCATION METHODOLOGY.—

(i) IN GENERAL.—The Commission shall establish the payment obligations of individual insurer participants to reflect, on an equitable basis, the relative tort system liability of the participating insurers in the absence of this Act, considering and weighting, as appropriate (but exclusive of workers’ compensation), such factors as—

(I) historic premium for lines of insurance associated with asbestos exposure over relevant periods of time;

(II) recent loss experience for asbestos liability;

(III) amounts reserved for asbestos liability;

(IV) the likely cost to each insurer participant of its future liabil-
ities under applicable insurance policies; and

(V) any other factor the Commission may determine is relevant and appropriate.

(ii) **DETERMINATION OF RESERVES.**—

The Commission may establish procedures and standards for determination of the asbestos reserves of insurer participants. The reserves of a United States licensed reinsurer that is wholly owned by, or under common control of, a United States licensed direct insurer shall be included as part of the direct insurer’s reserves when the reinsurer’s financial results are included as part of the direct insurer’s United States operations, as reflected in footnote 33 of its filings with the National Association of Insurance Commissioners or in published financial statements prepared in accordance with generally accepted accounting principles.

(C) **PAYMENT SCHEDULE.**—The aggregate annual amount of payments by insurer partici-
pants over the life of the Fund shall be as fol-

(i) For years 1 and 2, $2,700,000,000

annually.

(ii) For years 3 through 5, $5,075,000,000 annually.

(iii) For years 6 through 27, $1,147,000,000 annually.

(iv) For year 28, $166,000,000.

(D) CERTAIN RUNOFF ENTITIES.—

(i) IN GENERAL.—Whenever the Com-
mission requires payments by a runoff en-
tity that has assumed asbestos-related li-
abilities from a Lloyd’s syndicate or names
that are members of such a syndicate, the
Commission shall not require payments
from such syndicates and names to the ex-
tent that the runoff entity makes its re-
quired payments. In addition, such syn-
dicates and names shall be required to
make payments to the Fund in the amount
of any adjustment granted to the runoff
entity for severe financial hardship or ex-
ceptional circumstances:
(ii) Included Runoff Entities.—

Subject to clause (i), a runoff entity shall include any direct insurer or reinsurer whose asbestos liability reserves have been transferred, directly or indirectly, to the runoff entity and on whose behalf the runoff entity handles or adjusts and, where appropriate, pays asbestos claims.

(E) Financial Hardship and Exceptional Circumstance Adjustments.—

(i) In General.—Under the procedures established in subsection (b), an insurer participant may seek adjustment of the amount of its payments based on exceptional circumstances or severe financial hardship.

(ii) Financial Adjustments.—An insurer participant may qualify for an adjustment based on severe financial hardship by demonstrating that payment of the amounts required by the Commission’s methodology would jeopardize the solvency of such participant.

(iii) Exceptional Circumstance Adjustment.—An insurer participant
may qualify for an adjustment based on exceptional circumstances by demonstrating—

(I) that the amount of its payments under the Commission’s allocation methodology is exceptionally inequitable when measured against the amount of the likely cost to the participant of its future liability in the tort system in the absence of the Fund;

(II) an offset credit as described in subparagraphs (A) and (C) of subsection (b)(4); or

(III) other exceptional circumstances.

The Commission may determine whether to grant an adjustment and the size of any such adjustment, but adjustments shall not reduce the aggregate payment obligations such adjustment, but except as provided under paragraph (1)(B), subsection (f)(3), and section 405(e), any such adjustment shall not affect the aggregate payment obligations of insurer participants specified in
paragraph (2)(A) and subparagraph (C) of this paragraph.

(iv) **TIME PERIOD OF ADJUSTMENT.**—

Except for adjustments for offset credits, adjustments granted under this subsection shall have a term not to exceed 3 years. An insurer participant may renew its adjustment by demonstrating to the Administrator that it remains justified.

(F) **FUNDING HOLIDAYS.**—

(i) **IN GENERAL.**—If the Administrator determines, at any time after 10 years following the date of enactment of this Act, that the assets of the Fund at the time of such determination and expected future payments are sufficient to satisfy the Fund’s anticipated obligations without the need for all, or any portion of, that year’s payment otherwise required under this subtitle, the Administrator shall reduce or waive all or any part of the payments required from insurer participants for that year.

(ii) **ANNUAL REVIEW.**—The Administrator shall undertake the review required
by this subsection and make the necessary determination under clause (i) every year.

(iii) LIMITATIONS OF FUNDING HOLIDAYS.—Any reduction or waiver of the insurer participants’ funding obligations shall—

(I) be made only to the extent the Administrator determines that the Fund will still be able to satisfy all of its anticipated obligations; and

(II) be applied on an equal pro rata basis to the funding obligations of all insurer participants for that year.

(iv) NEW INFORMATION.—If at any time the Administrator determines that a reduction or waiver under this section may cause the assets of the Fund and expected future payments to decrease to a level at which the Fund may not be able to satisfy all of its anticipated obligations, the Administrator shall revoke all or any part of such reduction or waiver to the extent necessary to ensure that the Fund’s obligations are met. Such revocations shall be applied on an equal pro rata basis to the funding
obligations of all insurer participants for that year.

(b) Procedure for Notifying Insurer Participants of Individual Payment Obligations.—

(1) Notice to participants.—Not later than 30 days after promulgation of the final rule establishing an allocation methodology under subsection (a)(1), the Commission shall—

(A) directly notify all reasonably identifiable insurer participants of the requirement to submit information necessary to calculate the amount of any required payment to the Fund under the allocation methodology; and

(B) publish in the Federal Register a notice—

(i) requiring any person who may be an insurer participant (as determined by criteria outlined in the notice) to submit such information; and

(ii) that includes a list of all insurer participants notified by the Commission under subparagraph (A), and provides for 30 days for the submission of comments or information regarding the completeness
and accuracy of the list of identified insurer participants.

(2) Response required by individual insurer participants.—

(A) In general.—Any person who receives notice under paragraph (1)(A), and any other person meeting the criteria specified in the notice published under paragraph (1)(B), shall respond by providing the Commission with all the information requested in the notice under a schedule or by a date established by the Commission.

(B) Certification.—The response submitted under subparagraph (A) shall be signed by a responsible corporate officer, general partner, proprietor, or individual of similar authority, who shall certify under penalty of law the completeness and accuracy of the information submitted.

(3) Notice to insurer participants of initial payment determination.—

(A) In general.—

(i) Notice to insurers.—Not later than 120 days after receipt of the information required by paragraph (2), the Com-
mission shall send each insurer participant a notice of initial determination requiring payments to the Fund, which shall be based on the information received from the participant in response to the Commission’s request for information. An insurer participant’s payments shall be payable over the schedule established in subsection (a)(3)(C), in annual amounts proportionate to the aggregate annual amount of payments for all insurer participants for the applicable year.

(ii) PUBLIC NOTICE.—Not later than 7 days after sending the notification of initial determination to insurer participants, the Commission shall publish in the Federal Register a notice listing the insurer participants that have been sent such notification, and the initial determination on the payment obligation of each identified participant.

(B) NO RESPONSE; INCOMPLETE RESPONSE.—If no response is received from an insurer participant, or if the response is incomplete, the initial determination requiring a pay-
ment from the insurer participant shall be based on the best information available to the Commission.

(4) Commission review, revision, and finalization of initial payment determinations.—

(A) Comments from insurer participants.—Not later than 30 days after receiving a notice of initial determination from the Commission, an insurer participant may provide the Commission with additional information to support adjustments to the required payments to reflect severe financial hardship or exceptional circumstances, including the provision of an offset credit for an insurer participant for the amount of any asbestos-related payments it made or was legally obligated to make, including payments released from an escrow, as the result of a bankruptcy judicially confirmed after May 22, 2003, but before the date of enactment of this Act.

(B) Additional participants.—If, before the final determination of the Commission, the Commission receives information that an additional person may qualify as an insurer
participant, the Commission shall require such person to submit information necessary to determine whether payments from that person should be required, in accordance with the requirements of this subsection.

(C) REVISON PROCEDURES.—The Commission shall adopt procedures for revising initial payments based on information received under subparagraphs (A) and (B), including a provision requiring an offset credit for an insurer participant for the amount of any asbestos-related payments it made or was legally obligated to make, including payments released from an escrow, as the result of a bankruptcy confirmed after May 22, 2003, but before the date of enactment of this Act.

(5) EXAMINATIONS AND SUBPOENAS.—

(A) EXAMINATIONS.—The Commission may conduct examinations of the books and records of insurer participants to determine the completeness and accuracy of information submitted, or required to be submitted, to the Commission for purposes of determining participant payments.
(B) SUBPOENAS.—The Commission may request the Attorney General to subpoena persons to compel testimony, records, and other information relevant to its responsibilities under this section. The Attorney General may enforce such subpoena in appropriate proceedings in the United States district court for the district in which the person to whom the subpoena was addressed resides, was served, or transacts business.

(6) ESCROW PAYMENTS.—Without regard to an insurer participant’s payment obligation under this section, any escrow or similar account established before the date of enactment of this Act by an insurer participant in connection with an asbestos trust fund that has not been judicially confirmed by final order by the date of enactment of this Act shall be the property of the insurer participant and returned to that insurer participant.

(7) NOTICE TO INSURER PARTICIPANTS OF FINAL PAYMENT DETERMINATIONS.—Not later than 60 days after the notice of initial determination is sent to the insurer participants, the Commission shall send each insurer participant a notice of final determination.
(c) INSURER PARTICIPANTS VOLUNTARY ALLOCATION AGREEMENT.—

(1) IN GENERAL.—Not later than 30 days after the Commission proposes its rule establishing an allocation methodology under subsection (a)(1), direct insurer participants licensed or domiciled in the United States, other direct insurer participants, re-insurer participants licensed or domiciled in the United States, or other reinsurer participants, may submit an allocation agreement, approved by all of the participants in the applicable group, to the Commission.

(2) ALLOCATION AGREEMENT.—To the extent the participants in any such applicable group voluntarily agree upon an allocation arrangement, any such allocation agreement shall only govern the allocation of payments within that group and shall not determine the aggregate amount due from that group.

(3) CERTIFICATION.—The Commission shall determine whether an allocation agreement submitted under subparagraph (A) meets the requirements of this subtitle and, if so, shall certify the agreement as establishing the allocation methodology governing the individual payment obligations of the partici-
pants who are parties to the agreement. The authority of the Commission under this subtitle shall, with respect to participants who are parties to a certified allocation agreement, terminate on the day after the Commission certifies such agreement. Under subsection (f), the Administrator shall assume responsibility, if necessary, for calculating the individual payment obligations of participants who are parties to the certified agreement.

(d) COMMISSION REPORT.—

(1) RECIPIENTS.—Until the work of the Commission has been completed and the Commission terminated, the Commission shall submit an annual report, containing the information described under paragraph (2), to—

(A) the Committee on the Judiciary of the Senate;  
(B) the Committee on the Judiciary of the House of Representatives; and  
(C) the Administrator.

(2) CONTENTS.—The report under paragraph (1) shall state the amount that each insurer participant is required to pay to the Fund, including the payment schedule for such payments.

(e) INTERIM PAYMENTS.—
(1) Authority of Administrator.—During the period between the date of enactment of this Act and the date when the Commission issues its final determinations of payments, the Administrator shall have the authority to require insurer participants to make interim payments to the Fund to assure adequate funding by insurer participants during such period.

(2) Amount of Interim Payments.—During any applicable year, the Administrator may require insurer participants to make aggregate interim payments not to exceed the annual aggregate amount specified in subsection (a)(3)(C).

(3) Allocation of Payments.—Interim payments shall be allocated among individual insurer participants on an equitable basis as determined by the Administrator. All payments required under this subparagraph shall be credited against the participant’s ultimate payment obligation to the Fund established by the Commission. If an interim payment exceeds the ultimate payment, the Fund shall pay interest on the amount of the overpayment at a rate determined by the Administrator. If the ultimate payment exceeds the interim payment, the participant shall pay interest on the amount of the under-
payment at the same rate. Any participant may seek an exemption from or reduction in any payment required under this subsection under the financial hardship and exceptional circumstance standards established in subsection (a)(3)(D).

(4) APPEAL OF INTERIM PAYMENT DECISIONS.—A decision by the Administrator to establish an interim payment obligation shall be considered final agency action and reviewable under section 303, except that the reviewing court may not stay an interim payment during the pendency of the appeal.

(e) INTERIM PAYMENTS.—

(1) AMOUNT OF INTERIM PAYMENT.—Within 90 days after the date of enactment of this Act, insurer participants shall make an aggregate payment to the Fund not to exceed 50 percent of the aggregate funding obligation specified under subsection (a)(3)(C) for year 1.

(2) RESERVE INFORMATION.—Within 30 days after the date of enactment of this Act, each insurer participant shall submit to the Administrator a certified statement of its net held reserves for asbestos liabilities as of December 31, 2004.

(3) ALLOCATION OF INTERIM PAYMENT.—The Administrator shall allocate the interim payment
among the individual insurer participants on an equitable basis using the net held asbestos reserve information provided by insurer participants under subsection (a)(3)(B). Within 60 days after the date of enactment of this Act, the Administrator shall publish in the Federal Register the name of each insurer participant, and the amount of the insurer participant’s allocated share of the interim payment. The use of net held asbestos reserves as the basis to determine an interim allocation shall not be binding on the Administrator in the determination of an appropriate final allocation methodology under this section. All payments required under this paragraph shall be credited against the participant’s ultimate payment obligation to the Fund established by the Commission. If an interim payment exceeds the ultimate payment, the Fund shall pay interest on the amount of the overpayment at a rate determined by the Administrator. If the ultimate payment exceeds the interim payment, the participant shall pay interest on the amount of the underpayment at the same rate. Any participant may seek an exemption from or reduction in any payment required under this subsection under the financial hardship and exceptional circumstance standards established under subsection (a)(3)(E).
(4) APPEAL OF INTERIM PAYMENT DECISIONS.—
A decision by the Administrator to establish an interim payment obligation shall be considered final agency action and reviewable under section 303, except that the reviewing court may not stay an interim payment during the pendency of the appeal.

(f) TRANSFER OF AUTHORITY FROM THE COMMISSION TO THE ADMINISTRATOR.—

(1) IN GENERAL.—Upon termination of the Commission under section 215, the Administrator shall assume all the responsibilities and authority of the Commission, except that the Administrator shall not have the power to modify the allocation methodology established by the Commission or by certified agreement or to promulgate a rule establishing any such methodology.

(2) FINANCIAL HARDSHIP AND EXCEPTIONAL CIRCUMSTANCE ADJUSTMENTS.—Upon termination of the Commission under section 215, the Administrator shall have the authority, upon application by any insurer participant, to make adjustments to annual payments upon the same grounds as provided in subsection (a)(3)(D). Adjustments granted under this subsection shall have a term not to exceed 3 years. An insurer participant may renew its adjust-
ment by demonstrating that it remains justified.

Upon the grant of any adjustment, the Administrator shall increase the payments, consistent with subsection (a)(1)(B), required of all other insurer participants so that there is no reduction in the aggregate payment required of all insurer participants for the applicable years. The increase in an insurer participant’s required payment shall be in proportion to such participant’s share of the aggregate payment obligation of all insurer participants.

(3) Credits for Shortfall Assessments.—If insurer participants are required during the first 5 years of the life of the Fund to make up any shortfall in required insurer payments under subsection (a)(1)(B), then, beginning in year 6, the Administrator shall grant each insurer participant a credit against its annual required payments during the applicable years that in the aggregate equal the amount of shortfall assessments paid by such insurer participant during the first 5 years of the life of the Fund. The credit shall be prorated over the same number of years as the number of years during which the insurer participant paid a shortfall assessment. Insurer participants which did not pay all required payments to the Fund during the first 5 years of the life of the
Fund shall not be eligible for a credit. The Administrator shall not grant a credit for shortfall assessments imposed under section 405(e).

(3)(4) Financial security requirements.— Whenever an insurer participant’s A.M. Best’s claims payment rating or Standard and Poor’s financial strength rating falls below A−, and until such time as either the insurer participant’s A.M. Best’s Rating or Standard and Poor’s rating is equal to or greater than A−, the Administrator shall have the authority to require that the participating insurer either—

(A) pay the present value of its remaining Fund payments at a discount rate determined by the Administrator; or

(B) provide an evergreen letter of credit or financial guarantee for future payments issued by an institution with an A.M. Best’s claims payment rating or Standard & Poor’s financial strength rating of at least A+.

(g) Accounting treatment.—Insurer participants’ payment obligations to the Fund shall be subject to discounting under the applicable accounting guidelines for generally accepted accounting purposes and statutory accounting purposes for each insurer participant. This sub-
section shall in no way reduce the amount of monetary payments to the Fund by insurer participants as required under subsection (a).

(g)(h) JUDICIAL REVIEW.—The Commission’s rule establishing an allocation methodology, its final determinations of payment obligations and other final action shall be judicially reviewable as provided in title III.

SEC. 213. POWERS OF ASBESTOS INSURERS COMMISSION.

(a) RULEMAKING.—The Commission shall promulgate such rules and regulations as necessary to implement its authority under this Act, including regulations governing an allocation methodology. Such rules and regulations shall be promulgated after providing interested parties with the opportunity for notice and comment.

(b) HEARINGS.—The Commission may hold such hearings, sit and act at such times and places, take such testimony, and receive such evidence as the Commission considers advisable to carry out this Act. The Commission shall also hold a hearing on any proposed regulation establishing an allocation methodology, before the Commission’s adoption of a final regulation.

(c) INFORMATION FROM FEDERAL AND STATE AGENCIES.—The Commission may secure directly from any Federal or State department or agency such information as the Commission considers necessary to carry out
this Act. Upon request of the Chairman of the Commis-
sion, the head of such department or agency shall furnish
such information to the Commission.

(d) Postal Services.—The Commission may use
the United States mails in the same manner and under
the same conditions as other departments and agencies of
the Federal Government.

(e) Gifts.—The Commission may not accept, use, or
dispose of gifts or donations of services or property.

(f) Expert Advice.—In carrying out its responsibil-
ities, the Commission may enter into such contracts and
agreements as the Commission determines necessary to
obtain expert advice and analysis.

SEC. 214. PERSONNEL MATTERS.

(a) Compensation of Members.—Each member of
the Commission shall be compensated at a rate equal to
the daily equivalent of the annual rate of basic pay pre-
scribed for level IV of the Executive Schedule under sec-
tion 5315 of title 5, United States Code, for each day (in-
cluding travel time) during which such member is engaged
in the performance of the duties of the Commission.

(b) Travel Expenses.—The members of the Com-
mission shall be allowed travel expenses, including per
diem in lieu of subsistence, at rates authorized for employ-

amount that may be borrowed under this subsection
at any given time is the amount that, taking into ac-

(d) Audit Authority.—

(1) In general.—For the purpose of ascertaining the correctness of any information provided or payments made to the Fund, or determining whether a person who has not made a payment to the Fund was required to do so, or determining the liability of any person for a payment to the Fund, or collecting any such liability, or inquiring into any offense connected with the administration or enforcement of this title, the Administrator is authorized—

(b) INVESTMENTS.—

(1) IN GENERAL.—Amounts in the Fund shall be administered and invested with the care, skill, prudence, and diligence, under the circumstances prevailing at the time of such investment, that a prudent person acting in a like capacity and manner would use.
(2) Strategy.—The Administrator shall invest amounts in the Fund in a manner that enables the Fund to make current and future distributions to or for the benefit of asbestos claimants. In pursuing an investment strategy under this subparagraph, the Administrator shall consider, to the extent relevant to an investment decision or action—

(A) the size of the Fund;

(B) the nature and estimated duration of the Fund;

(C) the liquidity and distribution requirements of the Fund;

(D) general economic conditions at the time of the investment;

(E) the possible effect of inflation or deflation on Fund assets;

(F) the role that each investment or course of action plays with respect to the overall assets of the Fund;

(d)(c) Bankruptcy Trust Guarantee.—

(1) In general.—Notwithstanding any other
 provision of this Act, the Administrator shall have
the authority to impose a pro rata surcharge on all
participants under this subsection to ensure the li-
quidity of the Fund, if—

(A) the declared assets from 1 or more
bankruptcy trusts established under a plan of
reorganization confirmed and substantially con-
summated on or before July 31, 2004, are not
available to the Fund because a final judgment
that has been entered by a court and is no
longer subject to any appeal or review has en-
joined the transfer of assets required under sec-
section 524(j)(2) of title 11, United States Code
(as amended by section 402(f) of this Act); and

(B) borrowing is insufficient to assure the
Fund’s ability to meet its obligations under this
Act such that the required borrowed amount is
likely to increase the risk of termination of this
Act under section 405 based on reasonable
claims projections.

(2) ALLOCATION.—Any surcharge imposed
under this subsection shall be imposed over a period
of 5 years on a pro rata basis upon all participants,
in accordance with each participant’s relative annual
liability under this subtitle and subtitle B for those
5 years: in accordance with the relative aggregate
funding obligations under sections 202(a)(2) and
212(a)(2)(A).

(3) CERTIFICATION.—

(A) IN GENERAL.—Before imposing a sur-
charge under this subsection, the Administrator
shall publish a notice in the Federal Register
and provide in such notice for a public comment
period of 30 days.

(B) CONTENTS OF NOTICE.—The notice
required under subparagraph (A) shall in-
clude—
(i) information explaining the circumstances that make a surcharge necessary and a certification that the requirements under paragraph (1) are met;

(ii) the amount of the declared assets from any trust established under a plan of reorganization confirmed and substantially consummated on or before July 31, 2004, that was not made, or is no longer, available to the Fund;

(iii) the total aggregate amount of the necessary surcharge; and

(iv) the surcharge amount for each tier and subtier of defendant participants and for each insurer participant.

(C) Final Notice.—The Administrator shall publish a final notice in the Federal Register and provide each participant with written notice of that participant’s schedule of payments under this subsection. In no event shall any required surcharge under this subsection be due before 60 days after the Administrator publishes the final notice in the Federal Register and provides each participant with written notice of its schedule of payments.
(4) **MAXIMUM AMOUNT.**—In no event shall the total aggregate surcharge imposed by the Administrator exceed the lesser of—

(A) the total aggregate amount of the declared assets of the trusts established under a plan of reorganization confirmed and substantially consummated prior to July 31, 2004, that are no longer available to the Fund; or

(B) $4,000,000,000.

(5) **DECLARED ASSETS.**—

(A) **IN GENERAL.**—In this subsection, the term “declared assets” means—

(i) the amount of assets transferred by any trust established under a plan of reorganization confirmed and substantially consummated on or before July 31, 2004, to the Fund that is required to be returned to that trust under the final judgment described in paragraph (1)(A); or

(ii) if no assets were transferred by the trust to the Fund, the amount of assets the Administrator determines would have been available for transfer to the Fund from that trust under section 402(f).
(B) DETERMINATION.—In making a deter-
mination under subparagraph (A)(ii), the Ad-
ministrator may rely on any information rea-
sonably available, and may request, and use
subpoena authority of the Administrator if nec-
essary to obtain, relevant information from any
such trust or its trustees.

(e)(d) BANKRUPTCY TRUST CREDITS.—

(1) IN GENERAL.—Notwithstanding any other
provision of this Act, but subject to paragraph (2)
of this subsection, the Administrator shall provide a
credit toward the aggregate payment obligations
under sections 202(a)(2) and 212(a)(2)(A) for as-
sets received by the Fund from any bankruptcy trust
established under a plan of reorganization confirmed

(2) ALLOCATION OF CREDITS.—The Adminis-
trator shall allocate, for each such bankruptcy trust,
the credits for such assets between the defendant
and insurer aggregate payment obligations as fol-
lows:

(A) DEFENDANT PARTICIPANTS.—The ag-
ggregate amount that all persons other than in-
surers contributing to the bankruptcy trust
would have been required to pay as Tier I de-
fendants under section 203(b) if the plan of re-
organization under which the bankruptcy trust
was established had not been confirmed and
substantially consummated and the proceeding
under chapter 11 of title 11, United States
Code, that resulted in the establishment of the
bankruptcy trust had remained pending as of
the date of enactment of this Act.

(B) INSURER PARTICIPANTS.—The aggre-
gate amount of all credits to which insurers are
entitled to under section 202(c)(4)(A) of the
Act.

SEC. 223. ENFORCEMENT OF PAYMENT OBLIGATIONS.

(a) DEFAULT.—If any participant fails to make any
payment in the amount of and according to the schedule
under this Act or as prescribed by the Administrator, after
demand and a 30-day opportunity to cure the default,
there shall be a lien in favor of the United States for the
amount of the delinquent payment (including interest)
upon all property and rights to property, whether real or
personal, belonging to such participant.

(b) BANKRUPTCY.—In the case of a bankruptcy or
insolvency proceeding, the lien imposed under subsection
(a) shall be treated in the same manner as a lien for taxes
due and owing to the United States for purposes of the
provisions of title 11, United States Code, or section 3713(a) of title 31, United States Code. The United States Bankruptcy Court shall have jurisdiction over any issue or controversy regarding lien priority and lien perfection arising in a bankruptcy case due to a lien imposed under subsection (a).

(c) CIVIL ACTION.—

(1) IN GENERAL.—In any case in which there has been a refusal or failure to pay any liability imposed under this Act, the Administrator may bring a civil action in the United States District Court for the District of Columbia, any appropriate United States District Court, or any other appropriate lawsuit or proceeding outside of the United States—

(A) to enforce the liability and any lien of the United States imposed under this section;

(B) to subject any property of the participant, including any property in which the participant has any right, title, or interest to the payment of such liability; or

(C) for temporary, preliminary, or permanent relief.

(2) ADDITIONAL PENALTIES.—In any action under paragraph (1) in which the refusal or failure
to pay was willful, the Administrator may seek re-
covery—

(A) of punitive damages;

(B) of the costs of any civil action under
this subsection, including reasonable fees in-
curred for collection, expert witnesses, and at-
torney’s fees; and

(C) in addition to any other penalty, of a
fine equal to the total amount of the liability
that has not been collected.

(d) Enforcement Authority as to Insurer Par-
ticipants.—

(1) In General.—In addition to or in lieu of
the enforcement remedies described in subsection
(c), the Administrator may seek to recover amounts
in satisfaction of a payment not timely paid by an
insurer participant under the procedures under this
subsection.

(2) Subrogation.—To the extent required to
establish personal jurisdiction over nonpaying in-
surer participants, the Administrator shall be
deemed to be subrogated to the contractual rights of
participants to seek recovery from nonpaying insur-
ing participants that are domiciled outside the
United States under the policies of liability insur-
ance or contracts of liability reinsurance or retrocessional reinsurance applicable to asbestos claims, and the Administrator may bring an action or an arbitration against the nonpaying insurer participants under the provisions of such policies and contracts, provided that—

(A) any amounts collected under this subsection shall not increase the amount of deemed erosion allocated to any policy or contract under section 404, or otherwise reduce coverage available to a participant; and

(B) subrogation under this subsection shall have no effect on the validity of the insurance policies or reinsurance, and any contrary State law is expressly preempted.

(3) RECOVERABILITY OF CONTRIBUTION.—For purposes of this subsection—

(A) all contributions to the Fund required of a participant shall be deemed to be sums legally required to be paid for bodily injury resulting from exposure to asbestos;

(B) all contributions to the Fund required of any participant shall be deemed to be a single loss arising from a single occurrence under
each contract to which the Administrator is subrogated; and

(C) with respect to reinsurance contracts, all contributions to the Fund required of a participant shall be deemed to be payments to a single claimant for a single loss.

(4) NO CREDIT OR OFFSET.—In any action brought under this subsection, the nonpaying insurer or reinsurer shall be entitled to no credit or offset for amounts collectible or potentially collectible from any participant nor shall such defaulting participant have any right to collect any sums payable under this section from any participant.

(5) COOPERATION.—Insureds and cedents shall cooperate with the Administrator’s reasonable requests for assistance in any such proceeding. The positions taken or statements made by the Administrator in any such proceeding shall not be binding on or attributed to the insureds or cedents in any other proceeding. The outcome of such a proceeding shall not have a preclusive effect on the insureds or cedents in any other proceeding and shall not be admissible against any subrogee under this section. The Administrator shall have the authority to settle
or compromise any claims against a nonpaying insurer participant under this subsection.

(e) Bar on United States Business.—If any direct insurer or reinsurer refuses to furnish any information requested by or to pay any contribution required by this Act, then, in addition to any other penalties imposed by this Act, the Administrator may issue an order barring such entity and its affiliates from insuring risks located within the United States or otherwise doing business within the United States unless and until it complies. If any direct insurer or reinsurer refuses to furnish any information requested by the Administrator, the Administrator may issue an order barring such entity and its affiliates from insuring risks located within the United States or otherwise doing business within the United States unless and until it complies. Insurer participants or their affiliates seeking to obtain a license from any State to write any type of insurance shall be barred from obtaining any such license until payment of all contributions required as of the date of license application.

(f) Credit for Reinsurance.—If the Administrator determines that an insurer participant that is a reinsurer is in default in paying any required contribution or otherwise not in compliance with this Act, the Administrator may issue an order barring any direct insurer par-
participant from receiving credit for reinsurance purchased from the defaulting reinsurer after the date of the Administrator’s determination of default. Any State law governing credit for reinsurance to the contrary is preempted.

(g) DEFENSE LIMITATION.—In any proceeding under this section, the participant shall be barred from bringing any challenge to any determination of the Administrator or the Asbestos Insurers Commission regarding its liability under this Act, or to the constitutionality of this Act or any provision thereof, if such challenge could have been made during the review provided under section 204(i)(10), or in a judicial review proceeding under section 303.

(h) DEPOSIT OF FUNDS.—

(1) IN GENERAL.—Any funds collected under subsection (c)(2)(A) or (C) shall be—

(A) deposited in the Fund; and

(B) used only to pay—

(i) claims for awards for an eligible disease or condition determined under title I; or

(ii) claims for reimbursement for medical monitoring determined under title I.

(2) NO EFFECT ON OTHER LIABILITIES.—The imposition of a fine under subsection (c)(2)(C) shall have no effect on—
(A) the assessment of contributions under subtitles A and B; or

(B) any other provision of this Act.

(i) PROPERTY OF THE ESTATE.—Section 541(b) of title 11, United States Code, is amended—

(1) in paragraph (4)(B)(ii), by striking “or” at the end;

(2) in paragraph (5), by striking “prohibition.” and inserting “prohibition; or”; and

(3) by inserting after paragraph (5) and before the last undesignated sentence the following:

“(6) the value of any pending claim against or the amount of an award granted from the Asbestos Injury Claims Resolution Fund established under the Fairness in Asbestos Injury Resolution Act of 2005.”.

(j) PROPOSED TRANSACTIONS.—

(1) NOTICE OF PROPOSED TRANSACTION.—Any participant that has taken any action to effectuate a proposed transaction or a proposed series of transactions under which a significant portion of such participant’s assets, properties or business will, if consummated as proposed, be, directly or indirectly, transferred by any means (including, without limitation, by sale, dividend, contribution to a subsidiary
or split-off) to 1 or more persons other than the partic-

ipant shall provide written notice to the Adminis-

trator of such proposed transaction (or proposed se-

ries of transactions). Upon the request of such partic-

ipant, and for so long as the participant shall not

publicly disclose the transaction or series of trans-

actions and the Administrator shall not commence

any action under paragraph (6), the Administrator

shall treat any such notice as confidential commercial

information under section 552 of title 5, United

States Code.

(2) Timing of notice and related actions.—

(A) In general.—Any notice that a par-

ticipant is required to give under paragraph (1)

shall be given not later than 30 days before the

date of consummation of the proposed trans-

action or the first transaction to occur in a pro-

posed series of transactions.

(B) Other notifications.—

(i) In general.—Not later than the

date in any year by which a participant is

required to make its contribution to the

Fund, the participant shall deliver to the

Administrator a written certification stat-

ing that—
(I) the participant has complied during the period since the last such certification or the date of enactment of this Act with the notice requirements set forth in this subsection; or

(II) the participant was not required to provide any notice under this subsection during such period.

(ii) **Summary.**—The Administrator shall include in the annual report required to be submitted to Congress under section 405 a summary of all such notices (after removing all confidential identifying information) received during the most recent fiscal year.

(C) **Notice Completion.**—The Administrator shall not consider any notice given under paragraph (1) as given until such time as the Administrator receives substantially all the information required by this subsection.

(3) **Contents of Notice.**—

(A) **In General.**—The Administrator shall determine by rule or regulation the information to be included in the notice required under this subsection, which shall include such information
as may be necessary to enable the Administrator
to determine whether—

(i) the person or persons to whom the
assets, properties or business are being
transferred in the proposed transaction (or
proposed series of transactions) should be
considered to be the successor in interest of
the participant for purposes of this Act, or

(ii) the proposed transaction (or pro-
posed series of transactions) would, if con-
summated, be subject to avoidance by a
trustee under section 544(b) or 548 of title
11, United States Code, as if, but whether
or not, the participant is subject to a case
under title 11, United States Code.

(B) STATEMENTS.—The notice shall also in-
clude—

(i) a statement by the participant as to
whether it believes any person will or has
become a successor in interest to the partici-

ant for purposes of this Act and, if so, the
identity of that person; and

(ii) a statement by the participant as
to whether that person has acknowledged
that it will or has become a successor in interest for purposes of this Act.

(4) DEFINITION.—In this subsection, the term “significant portion of the assets, properties or business of a participant” means assets (including, without limitation, tangible or intangible assets, securities and cash), properties or business of such participant (or its affiliated group, to the extent that the participant has elected to be part of an affiliated group under section 204(f)) that, together with any other asset, property or business transferred by such participant in any of the previous completed 5 fiscal years of such participant (or, as appropriate, its affiliated group), and as determined in accordance with United States generally accepted accounting principles as in effect from time to time—

as measured during any of such 5 previous fiscal years.

(5) CONSUMMATION OF TRANSACTION.—Any proposed transaction (or proposed series of transactions) with respect to which a participant is required to provide notice under paragraph (1) may not be consummated until at least 30 days after delivery to the Administrator of such notice, unless the Administrator shall earlier terminate the notice period. The Administrator shall endeavor whenever possible to terminate a notice period at the earliest practicable time.

(6) RIGHT OF ACTION.—

(A) IN GENERAL.—Notwithstanding section 221(f), if the Administrator or any participant believes that a participant proposes to engage or has engaged, directly or indirectly, in, or is the subject of, a transaction (or series of transactions)—

(i) involving a person or persons who, as a result of such transaction (or series of transactions), may have or may become the
successor in interest or successors in interest
of such participant, where the status or po-

not been stated and acknowledged by the
participant and such person; or

(ii) that may be subject to avoidance
by a trustee under section 544(b) or 548 of
title 11, United States Code, as if, but
whether or not, the participant is a subject
to a case under title 11, United States Code,
then the Administrator or such participant may,
as a deemed creditor under applicable law, bring
a civil action in an appropriate forum against
the participant or any other person who is either
a party to the transaction (or series of trans-
actions) or the recipient of any asset, property or
business of the participant.

(B) RELIEF ALLOWED.—In any action com-
enced under this subsection, the Administrator
or a participant, as applicable, may seek—

(i) with respect to a transaction (or se-
ries of transactions) referenced in clause (i)
of subparagraph (A), a declaratory judg-
ment regarding whether such person will or
has become the successor in interest of such participant; or

(ii) with respect to a transaction (or series of transactions) referenced in clause (ii) of subparagraph (A)—

(I) a temporary restraining order or a preliminary or permanent injunction against such transaction (or series of transactions); or

(II) such other relief regarding such transaction (or series of transactions) as the court determines to be necessary to ensure that performance of a participant’s payment obligations under this Act is not materially impaired by reason of such transaction (or series of transactions).

(C) APPLICABILITY.—If the Administrator or a participant wishes to challenge a statement made by a participant that a person will not or has not become a successor in interest for purposes of this Act, then this paragraph shall be the exclusive means by which the determination of whether such person will or has become a successor in interest of the participant shall be
made. This paragraph shall not preempt any
other rights of any person under applicable Fed-
eral or State law.

(D) VENUE.—Any action under this para-
graph shall be brought in any appropriate
United States district court or, to the extent nec-
essary to obtain complete relief, any other appro-

date paid.

SEC. 225. EDUCATION, CONSULTATION, SCREENING, AND

(b) Outreach and Education.—

(1) In general.—Not later than 1 year after the date of enactment of this Act, the Administrator shall establish an outreach and education program, including a website designed to provide information about asbestos-related medical conditions to members of populations at risk of developing such conditions.

(2) Information.—The information provided under paragraph (1) shall include information about—

“(i) declaring that the transfer effected a taking of a right or property for which an individual is constitutionally entitled to just compensation; or

“(ii) requiring the transfer back to a trust of any or all assets transferred by that trust to the Fund.

“(4) JURISDICTION.—Solely for purposes of implementing this subsection, personal jurisdiction over every covered trust, the trustees thereof, and any other necessary party, and exclusive subject matter jurisdiction over every question arising out of or related to this subsection, shall be vested in the United States District Court for the District of Columbia. Notwithstanding any other provision of law, including section 1127 of this title, that court may make any order necessary and appropriate to facilitate prompt compliance with this subsection, including.
assuming jurisdiction over and modifying, to the ex-
tent necessary, any applicable confirmation order or
other order with continuing and prospective applica-
tion to a covered trust. The court may also resolve
any related challenge to the constitutionality of this
subsection or of its application to any trust, trustee,
or individual claimant. The Administrator of the
Fund may bring an action seeking such an order or
modification, under the standards of rule 60(b) of
the Federal Rules of Civil Procedure or otherwise,
and shall be entitled to intervene as of right in any
action brought by any other party seeking interpre-
tation, application, or invalidation of this subsection.
Any order denying relief that would facilitate prompt
compliance with the transfer provisions of this sub-
section shall be subject to immediate appeal under
section 304 of the Fairness in Asbestos Injury Reso-
lution Act of 2005. Notwithstanding any other provi-
sion of this paragraph, for purposes of implementing
the sunset provisions of section 402(f) of such Act
which apply to asbestos trusts and the class action
trust, the bankruptcy court or United States district
court having jurisdiction over any such trust as of
the date of enactment of such Act shall retain such
jurisdiction.”.
(g) No Avoidance of Transfer.—Section 546 of title 11, United States Code, is amended by adding at the end the following:

“(h) Notwithstanding the rights and powers of a trustee under sections 544, 545, 547, 548, 549, and 550 of this title, if a debtor is a participant (as that term is defined in section 3 of the Fairness in Asbestos Injury Resolution Act of 2005), the trustee may not avoid a transfer made by the debtor under its payment obligations under section 202 or 203 of that Act.”.

(h) Confirmation of Plan.—Section 1129(a) of title 11, United States Code, is amended by adding at the end the following:

“(14) If the debtor is a participant (as that term is defined in section 3 of the Fairness in Asbestos Injury Resolution Act of 2005), the plan provides for the continuation after its effective date of payment of all payment obligations under title II of that Act.”.

(i) Effect on Insurance Receivership Proceedings.—

(1) Lien.—In an insurance receivership proceeding involving a direct insurer, reinsurer or run-off participant, there shall be a lien in favor of the Fund for the amount of any assessment and any
such lien shall be given priority over all other claims against the participant in receivership, except for the expenses of administration of the receivership and the perfected claims of the secured creditors. Any State law that provides for priorities inconsistent with this provision is preempted by this Act.

(2) Payment of Assessment.—Payment of any assessment required by this Act shall not be subject to any automatic or judicially entered stay in any insurance receivership proceeding. This Act shall preempt any State law requiring that payments by a direct insurer, reinsurer or runoff participant in an insurance receivership proceeding be approved by a court, receiver or other person. Payments of assessments by any direct insurer or reinsurer participant under this Act shall not be subject to the avoidance powers of a receiver or a court in or relating to an insurance receivership proceeding.

(j) Standing in Bankruptcy Proceedings.—The Administrator shall have standing in any bankruptcy case involving a debtor participant. No bankruptcy court may require the Administrator to return property seized to satisfy obligations to the Fund.
SEC. 403. EFFECT ON OTHER LAWS AND EXISTING CLAIMS.

(a) Effect on Federal and State Law.—The provisions of this Act shall supersede any Federal or State law insofar as such law may relate to any asbestos claim, including any claim described under subsection (e)(2).

(b) Effect on Silica Claims.—

(1) In General.—

(A) Rule of construction.—Nothing in this Act shall be construed to preempt, bar, or otherwise preclude any personal injury claim attributable to exposure to silica as to which the plaintiff—

(i) pleads with particularity and establishes by a preponderance of evidence either that—

(I) no claim has been asserted or filed by or with respect to the exposed person in any forum for any asbestos-related condition and the exposed person (or another claiming on behalf of or through the exposed person) is not eligible for any monetary award under this Act; or

(II)(aa) the exposed person suffers or has suffered a functional im-
pairment that was caused by exposure
to silica; and

(bb) asbestos exposure was not a
substantial contributing factor to such
functional impairment; and

(ii) satisfies the requirements of para-
graph (2).

(B) PREEMPTION.—Claims attributable to
exposure to silica that fail to meet the require-
ments of subparagraph (A) shall be preempted
by this Act.

(2) REQUIRED EVIDENCE.—

(A) IN GENERAL.—In any claim to which
paragraph (1) applies, the initial pleading (or,
for claims pending on the date of enactment of
this Act, an amended pleading to be filed within
60 days after such date, but not later than 60
days before trial, shall plead with particularity
the elements of subparagraph (A)(i)(I) or (II)
and shall be accompanied by the information
described under subparagraph (B)(i) through
(iv).

(B) PLEADINGS.—If the claim pleads the
elements of paragraph (1)(A)(i)(II) and by the
information described under clauses (i) through
(iv) of this subparagraph if the claim pleads the elements of paragraph (1)(A)(i)(I)—

(i) admissible evidence, including at a minimum, a B-reader’s report, the underlying x-ray film and such other evidence showing that the claim may be maintained and is not preempted under paragraph (1);

(ii) notice of any previous lawsuit or claim for benefits in which the exposed person, or another claiming on behalf of or through the injured person, asserted an injury or disability based wholly or in part on exposure to asbestos;

(iii) if known by the plaintiff after reasonable inquiry by the plaintiff or his representative, the history of the exposed person’s exposure, if any, to asbestos; and

(iv) copies of all medical and laboratory reports pertaining to the exposed person that refer to asbestos or asbestos exposure.

(3) STATUTE OF LIMITATIONS.—In general, the statute of limitations for a silica claim shall be governed by applicable State law, except that in any case under this subsection, the statute of limitations shall
only start to run when the plaintiff becomes impaired.

(c) **SUPERSEDING PROVISIONS.**—

(1) **IN GENERAL.**—Except as provided under paragraph (3) and section 106(f), any agreement, understanding, or undertaking by any person or affiliated group with respect to the treatment of any asbestos claim that requires future performance by any party, insurer of such party, settlement administrator, or escrow agent shall be superseded in its entirety by this Act.

(2) **NO FORCE OR EFFECT.**—Except as provided under paragraph (3), any such agreement, understanding, or undertaking by any such person or affiliated group shall be of no force or effect, and no person shall have any rights or claims with respect to any such agreement, understanding, or undertaking.

(3) **EXCEPTION.**—

(A) **IN GENERAL.**—Except as provided in section 202(f), nothing in this Act shall abrogate a binding and legally enforceable written settlement agreement between any defendant participant or its insurer and a specific named
plaintiff with respect to the settlement of an asbestos claim of the plaintiff if—

(i) before the date of enactment of this Act, the settlement agreement was executed directly by the settling defendant or the settling insurer and the individual plaintiff, or on behalf of the plaintiff where the plaintiff is incapacitated and the settlement agreement is signed by an authorized legal representative;

(i) before the date of enactment of this Act, the settlement agreement was executed by—

(I) the settling defendant or the settling insurer; and

(II)(aa) the specific individual plaintiff, or the individual’s immediate relatives; or

(bb) an authorized legal representative acting on behalf of the plaintiff where the plaintiff is incapacitated and the settlement agreement is signed by that authorized legal representative;

(ii) the settlement agreement contains an express obligation by the settling de-
fendant or settling insurer to make a fu-
ture direct monetary payment or payments
in a fixed amount or amounts to the indi-
vidual plaintiff; and

(iii) within 30 days after the date of
enactment of this Act, or such shorter time
period specified in the settlement agree-
ment, all conditions to payment under the
settlement agreement have been fulfilled,
so that the only remaining performance
due under the settlement agreement is the
payment or payments by the settling de-
fendant or the settling insurer.

(B) BANKRUPTCY-RELATED AGREE-
MENTS.—The exception set forth in this para-
graph shall not apply to any bankruptcy-related
agreement.

(C) COLLATERAL SOURCE.—Any settle-
ment payment under this section is a collateral
source if the plaintiff seeks recovery from the
Fund.

(D) ABROGATION.—Nothing in subpara-
graph (A) shall abrogate a settlement agree-
ment otherwise satisfying the requirements of
that subparagraph if such settlement agreement
expressly anticipates the enactment of this Act and provides for the effects of this Act.

(E) Health care insurance or expenses settlements.—Nothing in this Act shall abrogate or terminate an otherwise fully enforceable settlement agreement which was executed before the date of enactment of this Act directly by the settling defendant or the settling insurer and a specific named plaintiff to pay the health care insurance or health care expenses of the plaintiff.

(d) Exclusive Remedy.—

(1) In general.—Except as provided under paragraph (2) and section 106(f), the remedies provided under this Act shall be the exclusive remedy for any asbestos claim, including any claim described in subsection (e)(2), under any Federal or State law.

(2) Civil actions at trial.—

(A) In general.—This Act shall not apply to any asbestos claim that—

(i) is a civil action filed in a Federal or State court (not including a filing in a bankruptcy court);

(ii) is not part of a consolidation of actions or a class action; and
(iii) on the date of enactment of this Act—

(I) in the case of a civil action which includes a jury trial, is before the jury after its impanelling and commencement of presentation of evidence, but before its deliberations;

(II) in the case of a civil action which includes a trial in which a judge is the trier of fact, is at the presentation of evidence at trial; or

(III) a verdict, final order, or final judgment has been entered by a trial court.

(B) NONAPPLICABILITY.—This Act shall not apply to a civil action described under subparagraph (A) throughout the final disposition of the action.

(e) BAR ON ASBESTOS CLAIMS.—

(1) IN GENERAL.—No asbestos claim (including any claim described in paragraph (2)) may be pursued, and no pending asbestos claim may be maintained, in any Federal or State court, except as provided under subsection (d)(2) and section 106(f).

(2) CERTAIN SPECIFIED CLAIMS.—
(A) IN GENERAL.—Subject to section 404
(d) and (e)(3) of this Act, no claim may be
brought or pursued in any Federal or State
court or insurance receivership proceeding—

(i) relating to any default, confessed
or stipulated judgment on an asbestos
claim if the judgment debtor expressly
agreed, in writing or otherwise, not to con-
test the entry of judgment against it and
the plaintiff expressly agreed, in writing or
otherwise, to seek satisfaction of the judg-
ment only against insurers or in bank-
ruptcy;

(ii) relating to the defense, investiga-
tion, handling, litigation, settlement, or
payment of any asbestos claim by any par-
ticipant, including claims for bad faith or
unfair or deceptive claims handling or
breach of any duties of good faith; or

(iii) arising out of or relating to the
asbestos-related injury of any individual
and—

(I) asserting any conspiracy, con-
cert of action, aiding or abetting, act,
conduct, statement, misstatement, un-
dertaking, publication, omission, or
failure to detect, speak, disclose, pub-
lish, or warn relating to the presence
or health effects of asbestos or the
use, sale, distribution, manufacture,
production, development, inspection,
advertising, marketing, or installation
of asbestos; or

   (II) asserting any conspiracy,
act, conduct, statement, omission, or
failure to detect, disclose, or warn re-
lating to the presence or health effects
of asbestos or the use, sale, distribu-
tion, manufacture, production, devel-
opment, inspection, advertising, mar-
keting, or installation of asbestos, as-
serted as or in a direct action against
an insurer or reinsurer based upon
any theory, statutory, contract, tort,
or otherwise; or

   (iv) by any third party, and premised
on any theory, allegation, or cause of ac-
tion, for reimbursement of healthcare costs
allegedly associated with the use of or ex-
posure to asbestos, whether such claim is
asserted directly, indirectly or derivatively.

(B) EXCEPTIONS.—Subparagraph (A) (ii)
and (iii) shall not apply to claims against par-
ticipants by persons—

(i) with whom the participant is in
privity of contract;

(ii) who have received an assignment
of insurance rights not otherwise voided by
this Act; or

(iii) who are beneficiaries covered by
the express terms of a contract with that
participant.

(3) PREEMPTION.—Any action asserting an as-
bestos claim (including a claim described in para-
graph (2)) in any Federal or State court is pre-
empted by this Act, except as provided under sub-
section (d)(2) and section 106(f).

(4) DISMISSAL.—Except as provided under sub-
section (d)(2), no judgment other than a judgment
of dismissal may be entered in any such action, in-
cluding an action pending on appeal, or on petition
or motion for discretionary review, on or after the
date of enactment of this Act. A court may dismiss
any such action on its motion. If the court denies
the motion to dismiss, it shall stay further proceed-ings until final disposition of any appeal taken under this Act.

(5) Removal.—

(A) In general.—If an action in any State court under paragraph (3) is preempted, barred, or otherwise precluded under this Act, and not dismissed, or if an order entered after the date of enactment of this Act purporting to enter judgment or deny review is not rescinded and replaced with an order of dismissal within 30 days after the filing of a motion by any party to the action advising the court of the provisions of this Act, any party may remove the case to the district court of the United States for the district in which such action is pending.

(B) Time limits.—For actions originally filed after the date of enactment of this Act, the notice of removal shall be filed within the time limits specified in section 1441(b) of title 28, United States Code.

(C) Procedures.—The procedures for removal and proceedings after removal shall be in accordance with sections 1446 through 1450 of
title 28, United States Code, except as may be necessary to accommodate removal of any actions pending (including on appeal) on the date of enactment of this Act.

(D) **REVIEW OF REMAND ORDERS.**

(i) **IN GENERAL.**—Section 1447 of title 28, United States Code, shall apply to any removal of a case under this section, except that notwithstanding subsection (d) of that section, a court of appeals may accept an appeal from an order of a district court granting or denying a motion to remand an action to the State court from which it was removed if application is made to the court of appeals not less than 7 days after entry of the order.

(ii) **TIME PERIOD FOR JUDGMENT.**—If the court of appeals accepts an appeal under clause (i), the court shall complete all action on such appeal, including rendering judgment, not later than 60 days after the date on which such appeal was filed, unless an extension is granted under clause (iii).
(iii) Extension of Time Period.—

The court of appeals may grant an extension of the 60-day period described in clause (ii) if—

(I) all parties to the proceeding agree to such extension, for any period of time; or

(II) such extension is for good cause shown and in the interests of justice, for a period not to exceed 10 days.

(iv) Denial of Appeal.—If a final judgment on the appeal under clause (i) is not issued before the end of the period described in clause (ii), including any extension under clause (iii), the appeal shall be denied.

(E) Jurisdiction.—The jurisdiction of the district court shall be limited to—

(i) determining whether removal was proper; and

(ii) determining, based on the evidentiary record, whether the claim presented is preempted, barred, or otherwise precluded under this Act.
(6) CREDITS.—

(A) IN GENERAL.—If, notwithstanding the express intent of Congress stated in this section, any court finally determines for any reason that an asbestos claim is not barred under this subsection and is not subject to the exclusive remedy or preemption provisions of this section, then any participant required to satisfy a final judgment executed with respect to any such claim may elect to receive a credit against any assessment owed to the Fund equal to the amount of the payment made with respect to such executed judgment.

(B) REQUIREMENTS.—The Administrator shall require participants seeking credit under this paragraph to demonstrate that the participant—

(i) timely pursued all available remedies, including remedies available under this paragraph to obtain dismissal of the claim; and

(ii) notified the Administrator at least 20 days before the expiration of any period within which to appeal the denial of a motion to dismiss based on this section.
(C) INFORMATION.—The Administrator may require a participant seeking credit under this paragraph to furnish such further information as is necessary and appropriate to establish eligibility for, and the amount of, the credit.

(D) INTERVENTION.—The Administrator may intervene in any action in which a credit may be due under this paragraph.

SEC. 404. EFFECT ON INSURANCE AND REINSURANCE CONTRACTS.

(a) EROSION OF INSURANCE COVERAGE LIMITS.—

(1) DEFINITIONS.—In this section, the following definitions shall apply:

(A) DEEMED EROSION AMOUNT.—The term “deemed erosion amount” means the amount of erosion deemed to occur at enactment under paragraph (2).

(B) EARLY SUNSET.—The term “early sunset” means an event causing termination of the program under section 405(f) which relieves the insurer participants of paying some portion of the aggregate payment level of $46,025,000,000 required under section 212(a)(2)(A).
(C) **Earned Erosion Amount.**—The term “earned erosion amount” means, in the event of any early sunset under section 405(f), the percentage, as set forth in the following schedule, depending on the year in which the defendant participants’ funding obligations end, of those amounts which, at the time of the early sunset, a defendant participant has paid to the fund and remains obligated to pay into the fund.

(D) REMAINING AGGREGATE PRODUCTS LIMITS.—The term "remaining aggregate products limits" means aggregate limits that apply to insurance coverage granted under the "products hazard", "completed operations hazard", or "Products—Completed Operations Liability" in any comprehensive general liability policy issued between calendar years 1940 and 1986 to cover injury which occurs in any State, as reduced by—

(i) any existing impairment of such aggregate limits as of the date of enactment of this Act; and

(ii) the resolution of claims for reimbursement or coverage of liability or paid or incurred loss for which notice was provided to the insurer before the date of enactment of this Act.

(E) SCHEDULED PAYMENT AMOUNTS.—The term "scheduled payment amounts" means the future payment obligation to the Fund under this Act from a defendant participant in the amount established under sections 203 and 204.
(F) **UNEARNED EROSION AMOUNT.**—The term “uneearned erosion amount” means, in the event of any early sunset under section 405(f), the difference between the deemed erosion amount and the earned erosion amount.

(2) **QUANTUM AND TIMING OF EROSION.**—

(A) **EROSION UPON ENACTMENT.**—The collective payment obligations to the Fund of the insurer and reinsurer participants as assessed by the Administrator shall be deemed as of the date of enactment of this Act to erode remaining aggregate products limits available to a defendant participant only in an amount of 38.1 percent of each defendant participant’s scheduled payment amount.

(B) **NO ASSERTION OF CLAIM.**—No insurer or reinsurer may assert any claim against a defendant participant or captive insurer for insurance, reinsurance, payment of a deductible, or retrospective premium adjustment arising out of that insurer’s or reinsurer’s payments to the Fund or the erosion deemed to occur under this section.

(C) **POLICIES WITHOUT CERTAIN LIMITS OR WITH EXCLUSION.**—Except as provided
under subparagraph (E), nothing in this section shall require or permit the erosion of any insurance policy or limit that does not contain an aggregate products limit, or that contains an asbestos exclusion.

(D) TREATMENT OF CONSOLIDATION ELECTION.—If an affiliated group elects consolidation as provided in section 204(f), the total erosion of limits for the affiliated group under paragraph (2)(A) shall not exceed $59.64\hspace{1cm}38.1$ percent of the scheduled payment amount of the single payment obligation for the entire affiliated group. The total erosion of limits for any individual defendant participant in the affiliated group shall not exceed its individual share of $59.64\hspace{1cm}38.1$ percent of the affiliated group’s scheduled payment amount, as measured by the individual defendant participant’s percentage share of the affiliated group’s prior asbestos expenditures.

(E) RULE OF CONSTRUCTION.—Notwithstanding any other provision of this section, nothing in this Act shall be deemed to erode remaining aggregate products limits of a defendant participant that can demonstrate by a
reponderance of the evidence that 75 percent of
its prior asbestos expenditures were made in de-
fense or satisfaction of asbestos claims alleging
bodily injury arising exclusively from the expo-
sure to asbestos at premises owned, rented, or
controlled by the defendant participant (a
“premises defendant”). In calculating such per-
centage, where expenditures were made in de-
fense or satisfaction of asbestos claims alleging
bodily injury due to exposure to the defendant
participant’s products and to asbestos at prem-
ises owned, rented, or controlled by the defend-
ant participant, half of such expenditures shall
be deemed to be for such premises exposures. If
a defendant participant establishes itself as a
premises defendant, 75 percent of the payments
by such defendant participant shall erode cov-
erage limits, if any, applicable to premises li-
abilities under applicable law.

(3) METHOD OF EROSION.—

(A) ALLOCATION.—The amount of erosion
allocated to each defendant participant shall be
allocated among periods in which policies with
remaining aggregate product limits are avail-
able to that defendant participant pro rata by
policy period, in ascending order by attachment point.

(B) Other erosion methods.—

(i) In general.—Notwithstanding subparagraph (A), the method of erosion of any remaining aggregate products limits which are subject to—

(I) a coverage-in-place or settlement agreement between a defendant participant and 1 or more insurance participants as of the date of enactment; or

(II) a final and nonappealable judgment as of the date of enactment or resulting from a claim for coverage or reimbursement pending as of such date, shall be as specified in such agreement or judgment with regard to erosion applicable to such insurance participants’ policies.

(ii) Remaining limits.—To the extent that a final nonappealable judgment or settlement agreement to which an insurer participant and a defendant participant are parties in effect as of the date of
enactment of this Act extinguished a defendant participant’s right to seek coverage for asbestos claims under an insurer participant’s policies, any remaining limits in such policies shall not be considered to be remaining aggregate products limits under subsection (a)(1)(A).

(4) Restoration of Aggregate Products Limits Upon Early Sunset.—

(A) Restoration.—In the event of an early sunset, any unearned erosion amount will be deemed restored as aggregate products limits available to a defendant participant as of the date of enactment.

(B) Method of Restoration.—The unearned erosion amount will be deemed restored to each defendant participant’s policies in such a manner that the last limits that were deemed eroded at enactment under this subsection are deemed to be the first limits restored upon early sunset.

(C) Tolling of Coverage Claims.—In the event of an early sunset, the applicable statute of limitations and contractual provisions for the filing of claims under any insurance policy
with restored aggregate products limits shall be
debtied tolled after the date of enactment
through the date 6 months after the date of
early sunset.

(5) Payments by defendant participant.—
Payments made by a defendant participant shall be
debtied to erode, exhaust, or otherwise satisfy appli-
cable self-insured retentions, deductibles, retrospect-
vively rated premiums, and limits issued by non-
participating insolvent or captive insurance compa-
nies. Reduction of remaining aggregate limits under
this subsection shall not limit the right of a defend-
ant participant to collect from any insurer not a par-
ticipant.

(6) Effect on other insurance claims.—
Other than as specified in this subsection, this Act
does not alter, change, modify, or affect insurance
for claims other than asbestos claims.

(b) Dispute Resolution Procedure.—
(1) Arbitration.—The parties to a dispute re-
garding the erosion of insurance coverage limits
under this section may agree in writing to settle
such dispute by arbitration. Any such provision or
agreement shall be valid, irrevocable, and enforce-
able, except for any grounds that exist at law or in

equity for revocation of a contract.

(2) Title 9, United States Code.—Arbitra-

tion of such disputes, awards by arbitrators, and

confirmation of awards shall be governed by title 9,

United States Code, to the extent such title is not

inconsistent with this section. In any such arbitra-

tion proceeding, the erosion principles provided for

under this section shall be binding on the arbitrator,

unless the parties agree to the contrary.

(3) Final and Binding Award.—An award by

an arbitrator shall be final and binding between the

parties to the arbitration, but shall have no force or

effect on any other person. The parties to an arbi-

tration may agree that in the event a policy which

is the subject matter of an award is subsequently de-

termined to be eroded in a manner different from

the manner determined by the arbitration in a judg-

ment rendered by a court of competent jurisdiction

from which no appeal can or has been taken, such

arbitration award may be modified by any court of

competent jurisdiction upon application by any party

to the arbitration. Any such modification shall gov-

ern the rights and obligations between such parties

after the date of such modification.
(c) Effect on Nonparticipants.—

(1) In general.—No insurance company or reinsurance company that is not a participant, other than a captive insurer, shall be entitled to claim that payments to the Fund erode, exhaust, or otherwise limit the nonparticipant’s insurance or reinsurance obligations.

(2) Other claims.—Nothing in this Act shall preclude a participant from pursuing any claim for insurance or reinsurance from any person that is not a participant other than a captive insurer.

(d) Finite Risk Policies Not Affected.—

(1) In general.—Notwithstanding any other provision of this Act, except subject to section 212(a)(1)(D), this Act shall not alter, affect or impair any rights or obligations of—

(A) any party to an insurance contract that expressly provides coverage for governmental charges or assessments imposed to replace insurance or reinsurance liabilities in effect on the date of enactment of this Act; or

(B) subject to paragraph (2), any person with respect to any insurance or reinsurance purchased by a participant after December 31, 1990, that expressly (but not necessarily exclu-
sively) provides coverage for asbestos liabilities, including those policies commonly referred to as “finite risk” policies.

(2) LIMITATION.—No person may assert that any amounts paid to the Fund in accordance with this Act are covered by any policy described under paragraph (1)(B) purchased by a defendant participant, unless such policy specifically provides coverage for required payments to a Federal trust fund established by a Federal statute to resolve asbestos injury claims.

(e) Effect on Certain Insurance and Reinsurance Claims.—

(1) No Coverage for Fund Assessments.—

No Subject to section 212(a)(1)(D), no participant or captive insurer may pursue an insurance or reinsurance claim against another participant or captive insurer for payments to the Fund required under this Act, except under a contract written agreement specifically providing insurance or reinsurance, reinsurance, or other reimbursement for required payments to a Federal trust fund established by a Federal statute to resolve asbestos injury claims or, where applicable, under finite risk policies under subsection (d).
(2) Certain insurance assignments voided.—Any assignment of any rights to insurance coverage for asbestos claims to any person who has asserted an asbestos claim before the date of enactment of this Act, or to any trust, person, or other entity not part of an affiliated group as defined in section 201(1) of this Act established or appointed for the purpose of paying asbestos claims which were asserted before such date of enactment, or by any Tier I defendant participant, before any sunset of this Act, shall be null and void. This subsection shall not void or affect in any way any assignments of rights to insurance coverage other than to asbestos claimants or to trusts, persons, or other entities not part of an affiliated group as defined in section 201(1) of this Act established or appointed for the purpose of paying asbestos claims, or by Tier I defendant participants.

(3) Insurance claims preserved.—Notwithstanding any other provision of this Act, this Act shall not alter, affect, or impair any rights or obligations of any person with respect to any insurance or reinsurance for amounts that any person pays, has paid, or becomes legally obligated to pay in respect of asbestos or other claims, including claims filed,
pursued, or revived under section 405(g), except to
the extent that—

(A) such person pays or becomes legally
obligated to pay claims that are superseded by
section 403;

(A) such claims are preempted, barred, or
superseded by section 403;

(B) any such rights or obligations of such
person with respect to insurance or reinsurance
are prohibited by paragraph (1) or (2) of sub-
section (e); or

(C) the limits of insurance otherwise avail-
able to such participant in respect of asbestos
claims are deemed to be eroded under sub-
section (a).

SUNSET OF THE ACT.

(a) IN GENERAL.—The Administrator shall submit
an annual report to the Committee on the Judiciary of
the Senate and the Committee on the Judiciary of the
House of Representatives on the operation of the Asbestos
Injury Claims Resolution Fund within 6 months after the
close of each fiscal year.

(b) CONTENTS OF REPORT.—The annual report sub-
mitted under this subsection shall include an analysis of—
(1) the claims experience of the program during
the most recent fiscal year, including—

(A) the number of claims made to the Of-

(B) any backlogs of claims that may exist and an explanation of the reasons for such backlogs;

(C) the costs to the Fund of administering the program; and

(D) any other significant factors bearing on the efficiency of the program;

(3) the financial condition of the Fund, including—

(A) statements of the Fund’s revenues, expenses, assets, and liabilities;

(B) the identity of all participants, the funding allocations of each participant, and the total amounts of all payments to the Fund;

(C) a list of all financial hardship or inequity adjustments applied for during the fiscal year, and the adjustments that were made during the fiscal year;

(D) a statement of the investments of the Fund; and
(E) a statement of the borrowings of the
Fund;

(4) the financial prospects of the Fund, includ-
ing—

(A) an estimate of the number and types
of claims, the amount of awards, and the par-
ticipant payment obligations for the next fiscal
year;

(B) an analysis of the financial condition
of the Fund, including an estimation of the
Fund’s ability to pay claims for the subsequent
5 years in full as and when required, an evalua-
tion of the Fund’s ability to retire its existing
debt and assume additional debt, and an eval-
uation of the Fund’s ability to satisfy other ob-
ligations under the program; and

(C) a report on any changes in projections

(5) any recommendations from the Advisory
Committee on Asbestos Disease Compensation and

(6) a summary of the results of audits conducted under section 115; and

(7) a summary of prosecutions under section 1348 of title 18, United States Code (as added by this Act).

(c) CLAIMS ANALYSIS.—If the Administrator concludes, on the basis of the annual report submitted under this section, that the Fund is compensating claims for injuries that are not caused by exposure to asbestos and compensating such claims may, currently or in the future, undermine the Fund’s ability to compensate persons with injuries that are caused by exposure to asbestos, the Administrator shall include in the report an analysis of the reasons for the situation, a description of the range of reasonable alternatives for responding to the situation, and a recommendation as to which alternative best serves the interest of claimants and the public. The report shall include a description of changes in the diagnostic, exposure, or medical criteria of section 121 that the Administrator believes may be necessary to protect the Fund from compensating claims not caused by exposure to asbestos.
(c) **Claims Analysis and Verification of Unexpected Claims.**

(1) In General.—If the Administrator concludes, on the basis of the annual report submitted under this section, that—

(A) the average number of claims that qualify for compensation under a claim level or designation exceeds 125 percent of the number of claims expected to qualify for compensation under that claim level or designation in the most recent Congressional Budget Office estimate of asbestos-injury claims for any 3-year period, the Administrator shall conduct a review of a statistically significant sample of claims qualifying for compensation under the appropriate claim level or designation; or

(B) the average number of claims that qualify for compensation under a claim level or designation is less than 75 percent of the number of claims expected to qualify for compensation under that claim level or designation in the most recent Congressional Budget Office estimate of asbestos-injury claims for any 3-year period, the Administrator shall conduct a review of a statistically significant sample of claims deemed inelici-
gible for compensation under the appropriate claim level or designation.

(2) DETERMINATIONS.—The Administrator shall examine the best available medical evidence and any recommendation made under subsection (b)(5) in order to determine which 1 or more of the following is true:

(A) Without a significant number of exceptions, all of the claimants who qualified for compensation under the claim level or designation suffer from an injury or disease for which exposure to asbestos was a substantial contributing factor.

(B) A significant number of claimants who qualified for compensation under the claim level or designation do not suffer from an injury or disease for which exposure to asbestos was a substantial contributing factor.

(C) A significant number of claimants who were denied compensation under the claim level of designation did suffer from an injury or disease for which exposure to asbestos was a substantial contributing factor.

(D) The Congressional Budget Office projections underestimated or overestimated the actual
number of persons who suffer from an injury or disease for which exposure to asbestos was a substantial contributing factor.

(3) RECOMMENDATIONS CONCERNING CLAIMS CRITERIA.—If the Administrator determines that a significant number of the claimants who qualified for compensation under the claim level under review do not suffer from an injury or disease for which exposure to asbestos was a substantial contributing factor, or that a significant number of the claimants who were denied compensation under the claim level under review suffered from an injury or disease for which exposure to asbestos was a substantial contributing factor, the Administrator shall recommend to Congress, under subsection (e), changes to the compensation criteria in order to ensure that the Fund provides compensation for injury or disease for which exposure to asbestos was a substantial contributing factor, but does not provide compensation to claimants who do not suffer from an injury or disease for which asbestos exposure was a substantial contributing factor.

(d) RECOMMENDATIONS OF ADMINISTRATOR AND ADVISORY COMMITTEE.—
(1) **REFERRAL.**—If the Administrator recommends changes to this Act under subsection (c), the recommendations and accompanying analysis shall be referred to the Advisory Committee on Asbestos Disease Compensation established under section 102 (in this subsection referred to as the “Advisory Committee”).

(2) **ADVISORY COMMITTEE RECOMMENDATIONS.**—The Advisory Committee shall hold expedited public hearings on the alternatives and recommendations of the Administrator and make its own recommendations for reform of the program under titles I and II.

(3) **TRANSMITTAL TO CONGRESS.**—Not later than 90 days after receiving the recommendations of the Administrator, the Advisory Committee shall transmit the recommendations of the Administrator and the recommendations of the Advisory Committee to the Committee on the Judiciary of the Senate and the Committee on the Judiciary of the House of Representatives.

(4)(e) **SHORTFALL ANALYSIS.**—

(1) **IN GENERAL.**—

(A) **ANALYSIS.**—If the Administrator concludes, on the basis of the information contained in the annual report submitted under
this section, that the Fund may not be able to pay claims as such claims become due at any time within the next 5 years, the Administrator shall include in the report an analysis of the reasons for the situation, an estimation of when the Fund will no longer be able to pay claims as such claims become due, a description of the range of reasonable alternatives for responding to the situation, and a recommendation as to which alternative best serves the interest of claimants and the public. The report may include a description of changes in the diagnostic, exposure, or medical criteria of section 121 that the Administrator believes may be necessary to protect the Fund.

(B) RANGE OF ALTERNATIVES.—The range of alternatives under subparagraph (A) may include—

(i) triggering the termination of this Act under subsection (f) at any time after the date of enactment of this Act; and

(ii) reform of the program set forth in titles I and II of this Act (including changes in the diagnostic, exposure, or medical criteria, changes in the enforce-
ment or application of those criteria,
changes in the timing of payments,
changes in contributions by defendant par-
ticipants, insurer participants (or both
such participants), or changes in award
values).

(C) INSURER SHORTFALL ASSESSMENTS.—

Beginning in year 6 of the life of the Fund, if
the Administrator determines that a shortfall in
payment of the annual amounts required to be
paid by insurer participants under section
212(a)(3)(C) is the substantial factor that would
cause the Administrator to recommend the termi-
nation of this Act under subsection (f), then the
Administrator may impose shortfall assessments
on insurer participants in addition to the pay-
ments imposed under section 212, except that the
Administrator shall not impose such assessments
if the additional amounts would not be sufficient
to permit the Administrator to avoid recom-
mending termination of this Act. During any
given year, the total of such shortfall assessments
shall not exceed the amount by which, during the
prior year, total payments by insurer partici-
pants fell short of the aggregate amounts re-
quired to be paid under section 212(a)(3)(C).

Shortfall assessments shall be allocated among insurer participants using the methodology adopted by the Asbestos Insurers Commission under section 212(a)(1)(B).

(2) CONSIDERATIONS.—In formulating recommendations, the Administrator shall take into account the reasons for any shortfall, actual or projected, which may include—

(A) financial factors, including return on investments, borrowing capacity, interest rates, ability to collect contributions, and other relevant factors;

(B) the operation of the Fund generally, including administration of the claims processing, the ability of the Administrator to collect contributions from participants, potential problems of fraud, the adequacy of the criteria to rule out idiopathic mesothelioma, and inadequate flexibility to extend the timing of payments;

(C) the appropriateness of the diagnostic, exposure, and medical criteria, including the adequacy of the criteria to rule out idiopathic mesothelioma;
(D) the actual incidence of asbestos-related
diseases, including mesothelioma, based on epi-
demiological studies and other relevant data;

(E) compensation of diseases with alter-
native causes; and

(F) other factors that the Administrator
considers relevant.

(3) RECOMMENDATION OF TERMINATION.—Any
recommendation of termination should include a
plan for winding up the affairs of the Fund (and the
program generally) within a defined period, includ-
ing paying in full all claims resolved at the time the
report is prepared. Any plan under this paragraph
shall provide for priority in payment to the claim-
ants with the most serious illnesses.

(4) RESOLVED CLAIMS.—For purposes of this
section, a claim shall be deemed resolved when the
Administrator has determined the amount of the
award due the claimant, and either the claimant has
waived judicial review or the time for judicial review
has expired.

(e) RECOMMENDATIONS OF ADMINISTRATOR AND
COMMISSION.—

(1) IN GENERAL.—If the Administrator rec-
ommends changes to this Act under subsection (e),
the recommendations and accompanying analysis shall be referred to a special commission consisting of the Attorney General, the Secretary of Labor, the Secretary of Health and Human Services, the Secretary of the Treasury, and the Secretary of Commerce, or their designees. The Commission shall hold expedited public hearings on the Administrator's alternatives and recommendations and then make its own recommendations for reform of the program set forth in titles I and II of this Act. Within 180 days after receiving the Administrator's recommendations, the Commission shall transmit its own recommendations to the Congress in the same manner as set forth in subsection (a).

(2) REFERRAL.—If the Administrator recommends changes to, or termination of, this Act under subsection (d), the recommendations and accompanying analysis shall be referred to the Commission. The Commission shall hold expedited public hearings on the Administrator's alternatives and recommendations and then make its own recommendations for reform of the program set forth in titles I and II of this Act. Within 180 days after receiving the Administrator's recommendations, the Commission shall transmit its own recommendations to Con-
gress in the same manner as set forth in subsection (a).

(f) Sunset of Act.—

(1) In general.—

(A) Termination. — Subject to paragraph (4), titles I (except subtitle A) and II and sections 403 and 404(e)(2) shall terminate as provided under paragraph (2), if the Administrator—

(i) has begun the processing of claims;

and

(ii) as part of the review conducted to prepare an annual report under this section, determines that if any additional claims are resolved, the Fund will not have sufficient resources when needed to pay 100 percent of all resolved claims while also meeting all other obligations of the Fund under this Act, including the payment of—

(I) debt repayment obligations;

and

(II) remaining obligations to the asbestos trust of a debtor and the class action trust.
(B) REMAINING OBLIGATIONS.—For purposes of subparagraph (A)(ii), the remaining obligations to the asbestos trust of the debtor and the class action trust shall be determined by the Administrator by assuming that, instead of a lump-sum payment, such trust had transferred its assets to the Fund on an annual basis, taking into consideration relevant factors, including the most recent projections made by the trust’s actuary before the date of enactment of this Act of the amount and timing of future claim payments and administrative and operating expenses.

(2) EFFECTIVE DATE OF TERMINATION.—A termination under paragraph (1) shall take effect 180 days after the date of a determination of the Administrator under paragraph (1) and shall apply to all asbestos claims that have not been resolved by the Fund as of the date of the determination.

(3) RESOLVED CLAIMS.—If a termination takes effect under this subsection, all resolved claims shall be paid in full by the Fund.

(4) EXTINGUISHED CLAIMS.—A claim that is extinguished under the statute of limitations provi-
sions in section 113(b) is not revived at the time of sunset under this subsection.

(5) **Continued Funding.**—If a termination takes effect under this subsection, participants will still be required to make payments as provided under subtitles A and B of title II. If the full amount of payments required by title II is not necessary for the Fund to pay claims that have been resolved as of the date of termination, pay the Fund’s debt and obligations to the asbestos trusts and class action trust, and support the Fund’s continued operation as needed to pay such claims, debt, and obligations, the Administrator may reduce such payments. Any such reductions shall be allocated among participants in approximately the same proportion as the liability under subtitles A and B of title II.

(6) **Sunset Claims.**—

(A) **Definitions.**—In this paragraph—

(i) the term “sunset claims” means claims filed with the Fund, but not yet resolved, when this Act has terminated; and

(ii) the term “sunset claimants” means persons asserting sunset claims.

(B) **In General.**—If a termination takes effect under this subsection, the applicable stat-
ute of limitations for the filing of sunset claims under subsection (g) shall be tolled for any past or pending sunset claimants while such claimants were pursuing claims filed under this Act. For those claimants who decide to pursue a sunset claim in accordance with subsection (g), the applicable statute of limitations shall apply, except that claimants who filed a claim against the Fund under this Act before the date of termination shall have 2 years after the date of termination to file a sunset claim in accordance with subsection (g).

(7) Asbestos Trusts and Class Action Trust.—On and after the date of termination under this subsection, the trust distribution program of any asbestos trust and the class action trust shall be replaced with the medical criteria requirements of section 121.

(8) Payment to Asbestos Trusts and Class Action Trust.—The amounts determined under paragraph (1)(B) for payment to the asbestos trusts and the class action trust shall be transferred to the respective asbestos trusts of the debtor and the class action trust within 90 days.

(g) Nature of Claim After Sunset.—
(1) IN GENERAL.—

(A) RELIEF.—On and after the date of termination under subsection (f), any individual with an asbestos claim who has not previously had a claim resolved by the Fund, may in a civil action obtain relief in damages subject to the terms and conditions under this subsection and paragraph (6) of subsection (f).

(B) RESOLVED CLAIMS.—An individual who has had a claim resolved by the Fund may not pursue a court action, except that an individual who received an award for a nonmalignant disease (Levels I through V) from the Fund may assert a claim for a subsequent or progressive disease under this subsection, unless the disease was diagnosed or the claimant had discovered facts that would have led a reasonable person to obtain such a diagnosis before the date on which the previous claim against the Fund was disposed.

(C) MESTHELIOMA CLAIM.—An individual who received an award for a nonmalignant or malignant disease (except mesothelioma) (Levels I through VIII) from the Fund may assert a claim for mesothelioma under this subsection,
unless the mesothelioma was diagnosed or the
claimant had discovered facts that would have
led a reasonable person to obtain such a diag-
nosis before the date on which the nonmalign-
ent or other malignant claim was disposed.

(2) **Exclusive Remedy.**—As of the effective
date of a termination of this Act under subsection
(f), an action under paragraph (1) shall be the ex-
clusive remedy for any asbestos claim that might
otherwise exist under Federal, State, or other law,
regardless of whether such claim arose before or
after the date of enactment of this Act or of the ter-
mination of this Act, except that claims against the
Fund that have been resolved before the date of the
termination determination under subsection (f) may
be paid by the Fund.

(3) **Venue.**—

(A) **In General.**—Actions under para-
graph (1) may be brought in—

(i) any Federal district court;

(ii) any State court in the State where
the claimant resides; or

(iii) any State court in a State where
the asbestos exposure occurred.
(B) Defendants not found.—If any defendant cannot be found in the State described in clause (ii) or (iii) of subparagraph (A), the claim may be pursued only against that defendant in the Federal district court or the State court located within any State in which the defendant may be found.

(C) Determination of most appropriate forum.—If a person alleges that the asbestos exposure occurred in more than one county (or Federal district), the trial court shall determine which State and county (or Federal district) is the most appropriate forum for the claim. If the court determines that another forum would be the most appropriate forum for a claim, the court shall dismiss the claim. Any otherwise applicable statute of limitations shall be tolled beginning on the date the claim was filed and ending on the date the claim is dismissed under this subparagraph.

(D) State venue requirements.—Nothing in this paragraph shall preempt or supersede any State's law relating to venue requirements within that State which are more restrictive.
(4) **CLASS ACTION TRUSTS.**—Notwithstanding any other provision of this section—

(A) after the assets of any class action trust have been transferred to the Fund in accordance with section 203(b)(5), no asbestos claim may be maintained with respect to asbestos liabilities arising from the operations of a person with respect to whose liabilities for asbestos claims a class action trust has been established, whether such claim names the person or its successors or affiliates as defendants; and

(B) if a termination takes effect under subsection (f), the exclusive remedy for all asbestos claims (including sunset claims and claims first arising or first presented after termination of the Fund) arising from such operations will be a claim against the class action trust to which the Administrator has transferred funds under subsection (f)(8) to pay asbestos claims, if necessary in proportionally reduced amounts.

(5) **EXPERT WITNESSES.**—If scientific, technical, or other specialized knowledge will assist the trier of fact to understand the evidence or to determine a fact in issue in an action permitted under paragraph (1),
a witness qualified as an expert by knowledge, skill, experience, training, or education, may testify thereto in the form of an opinion or otherwise, if—

(A) the testimony is based upon sufficient facts or data;

(B) the testimony is the product of reliable principles and methods; and

(C) the witness has applied the principles and methods reliably to the facts of the case.

(b) FUNDING LIABILITY.—Nothing in this Act shall be construed to—

(1) create any obligation of funding from the United States Government, other than the funding for personnel and support as provided under this Act; or including any borrowing authorized under section 221(b)(2); or
(2) obligate the United States Government to pay any award or part of an award, if amounts in the Fund are inadequate.

(b) HEALTHCARE FROM PROVIDER OF CHOICE.—Nothing in this Act shall be construed to preclude any eligible claimant from receiving healthcare from the provider of their choice.

SEC. 408. VIOLATIONS OF ENVIRONMENTAL HEALTH AND SAFETY REQUIREMENTS.

(a) ASBESTOS IN COMMERCE.—If the Administrator receives information concerning conduct occurring after the date of enactment of this Act that may have been a violation of standards issued by the Environmental Protection Agency under the Toxic Substances Control Act (15 U.S.C. 2601 et seq.), relating to the manufacture, importation, processing, disposal, and distribution in commerce of asbestos-containing products, the Administrator shall
refer the matter in writing within 30 days after receiving

tion 3571 of title 18, United States Code, or by imprison-
ment for not more than 10 years, or both.”.

(e) CONTRIBUTIONS TO THE ASBESTOS TRUST FUND

(1) IN GENERAL.—The Administrator shall as-

(3) **Assessment for Contribution.**—The Administrator shall assess each such identified employer or other individual for a contribution to the Fund for that year in an amount equal to—

(B) 4 times the amount of total penalties for a second violation of such statutes, standards, or regulations; and

(C) 6 times the amount of total penalties for any violations thereafter.

(4) LIABILITY.—Any assessment under this subsection shall be considered a liability under this Act.

(5) PAYMENTS.—Each such employer or other individual assessed for a contribution to the Fund under this subsection shall make the required contribution to the Fund within 90 days of the date of receipt of notice from the Administrator requiring payment.

(3) the base offense level, adjustments, and specific offense characteristics are sufficient to deter and punish future activity and are adequate in cases in which the relevant offense conduct—

(A) involves asbestos as a hazardous or toxic substance; and

(B) occurs after the date of enactment of this Act;
(4) the adjustments and specific offense characteristics contained in section 2B1.1 of the United States Sentencing Guidelines related to fraud, deceit, and false statements, adequately take into account that asbestos was involved in the offense, and the possibility of death or serious bodily harm as a result;
